# BITS and PIECES

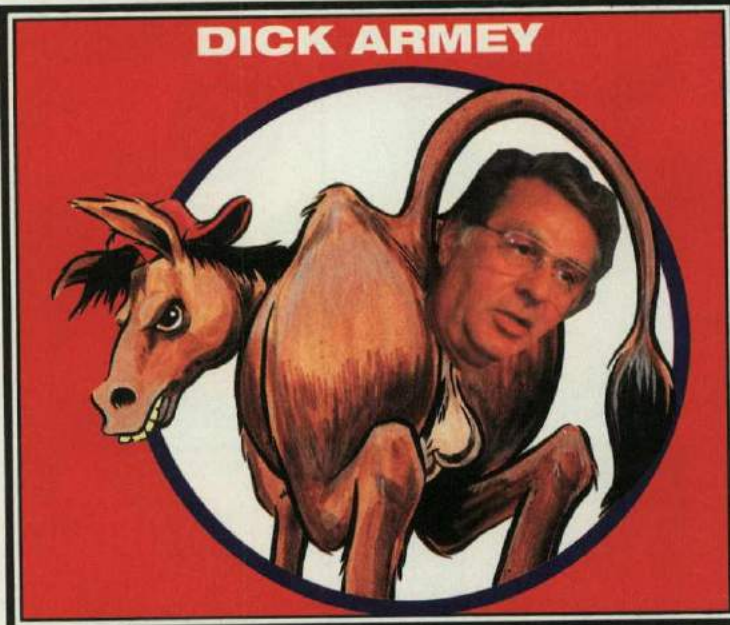

## ASSHOLE OF THE MONTH

Texas is a big state, and Texans are known for doing things in a big way, but that pride in largeness is no excuse for Representative Dick "Head" Arme's being such a massive Asshole. A Republican representing the Lone Star State in the U.S. House of Representatives, Dick "Little" Arme is HUSTLER's huge Asshole of the Month for June 1995.

In his position as House Majority Leader, Dick "Cheese" Arme carries one of the highest profiles of any Republican politician in America, an elevated silhouette that is generally wedged into the ass crevice of fellow GOP member, and Speaker of the House, Newt Gingrich. Due to his lofty vantage, Dick "Brain" Arme is often sought out by media reporters for his pithy, bite-size commentary on the Washington daisy chain. During a recent interview for radio, Dick "Wad" Arme pointedly referred to Massachusetts Congressman Barney Frank, who admits to being not only gay but also a Democrat, as "Barney Fag."

Dick "Hole" Arme immediately attempted to prevent his inadvertent straight talk from being aired by the media, but CNN viewers worldwide saw and heard Dick "Swallow" Arme stand tall and brand a fellow legislator FAG.

Realizing at once the mistake of displaying his real attitudes while tape was rolling, Dick "Dribbles" Arme pranced back from the issue, shaming all heterosexuals in general and Texans specifically: "I do not want Barney Frank to believe for one moment I would use a slur against him," burred Dick "Lick" Arme like

a sissy afraid of a fistfight. "I had trouble with alliteration. I was stumbling, mumbling. Barney Frank is a friend of mine. I don't use the word in personal conversation, and I don't approve of anyone who does. It was a mispronunciation."

An individual's name is a very personal possession. Many people, based upon alliterations and stumbling, mumbling mispronunciations of their monikers, receive some degree of taunting or teasing during childhood. Someone christened Jerry might step onto the schoolyard and be called Fairy. Kelly gets nicknamed Smelly. Britt is shit; Kit goes to Clit. Dick, of course, is simply referred to as Dick. All are examples of alliteration. But what schoolboy

ever heard *Frank* rhyming with *Fag*?

Though Dick "Breath" Arme can make no such claim, the video record of the fag statement does not lie. Dick "Catcher" Arme did not mumble, stumble or mispronounce a single word. Dick "Lips" Arme is a trained orator, a man accustomed to speaking on the air, off the cuff and to the press. If Dick "Wad" Arme were given to slips of the tongue, why has he never "accidentally" referred to senators Dole and Packwood as Dildo and Peckwood? Quite obviously, Dick "Huffer" Arme didn't stutter; he said "*Barney Fag*," and the world would be a truer place if Dick "Envy" Arme had the balls to own up and admit that he said exactly what he meant to say.

"I take strong exception to the airing of the tape and even the transcribing of a stumbled word as if it were an intentional, personal attack," trilled Dick "Less" Arme in a shrill and strident harangue aimed at a supposedly free press, a press that was guilty only of airing the facts as they lilted out of Dick "Lover" Arme's pursed, carplike lips.

Dick "Ornament" Arme bitched that the short-lived commotion over his "unintentional mispronunciation of a name" was shifting attention away from "real issues," such as balancing the budget and changing the welfare system—not to mention the issue of Dick "Sucker" Arme lacking the courage to mouth his convictions. No one in the House of Representatives has a more anti-gay record than Dick "Leak" Arme. In the past three Congresses, Dick "In the Ass" Arme has voted for every anti-homosexual law or amendment that has come up; he has also voted against every legislative initiative that might possibly benefit invert Americans. And yet Dick "Gripper" Arme would deny that a grown man in this country is free to call a fag a fag.

"To have my five children or anybody else's five children," quavered Dick "Spew" Arme, choked with what passed for emotion, "turn on their television today and see a transcript of a mispronunciation on the air, as if I had no sense of decency, cordiality, respect or even good manners, is unacceptable."

That's exactly what we're saying, Dick "Asshole" Arme, and we mean every word of it.

**The Tattletale Toddler:** A five-year-old boy in Pontotoc, Mississippi, has become the youngest snitch in the history of infamy, ratting out his own mother on a charge of smoking marijuana. The precocious warbler dialed 911 on five separate occasions before finally convincing adult cops to arrest the womb that bore him. "The

boy was so proud of himself. He was tickled to death at what he'd done," reports Pontotoc Sheriff Randy Roberts. Informer Junior will be plenty tickled if authorities take him from Mama and toss him into a home for at-risk kids, where everyone's always raring to greet a little Asshole.

**Edward Leary:** Accused of carrying a firebomb that went off unexpectedly in a New York City subway, basting him and 47 other passengers to varying degrees of crispness, defendant Leary contended that threatening notes found in his apartment were outlines for unpublished novels. *The Story of Asshole.*

**A NEW LINE FEMINIST PICTURE**

## A Broad Comedy

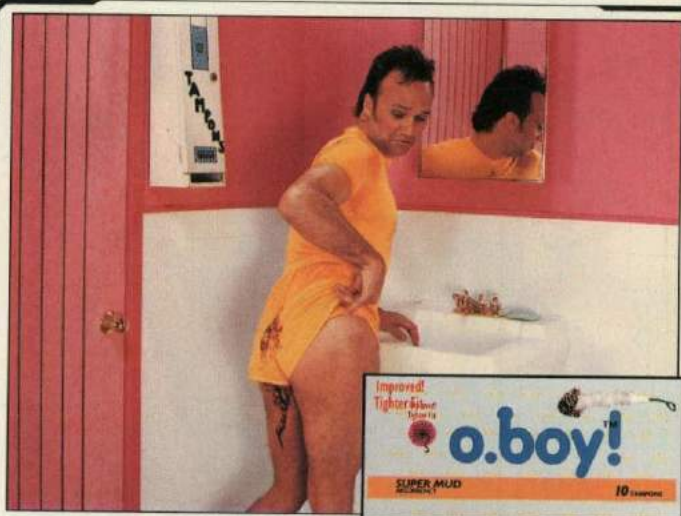

Life has begun to reflect insipid art as female political figures reduce themselves to name-calling simpletons. First, Hillary Clinton dubbed herself "naive and dumb" when explaining the downfall of her failed health-care plan. Then, the chain-smoking mother of Speaker of the House Newt Gingrich told a national TV audience that her son calls First Lady Clinton "a bitch." In the shadows of these loose-lipped wenches, is it any wonder that Bill and Newt are making such a mess of things in Washington? Come see the pussies behind the power, and learn why the future of women in American politics isn't as bright as many had thought.

## A Nude Deal

When it comes to politically active females, HUSTLER prefers the girls who grace a deck of playing cards developed by long-time porn libertarian Annie Sprinkle. The Pleasure Activist Playing Cards feature crass and comical poses by 52 outspoken female erotic pioneers, including

HUSTLER alumni Lily Burana and Kembra Pfahler. Check 'em out, and give a fresh meaning to the phrase "Go fish" with Annie Sprinkle's Post-Modern Pin-Ups: Pleasure Activist Playing Cards. For ordering information, write to Gates of Heck, P.O. Box 15296, Richmond, VA 23227.

## A Bum Wrap

Bobby went to the Queen's Cornhole Nightclub to find Mr. Right, but he didn't count on a sudden visit from Mr. Wipe. If only Bobby had made it to the men's room in time to cork his cranberry with **o. boy!**™ Tampons, the most absorbent cotton crap-catcher money can buy. The pooper-pleasing, cock-shaped tip guarantees easy insertion and a snug fit to hold back the most determined shit.

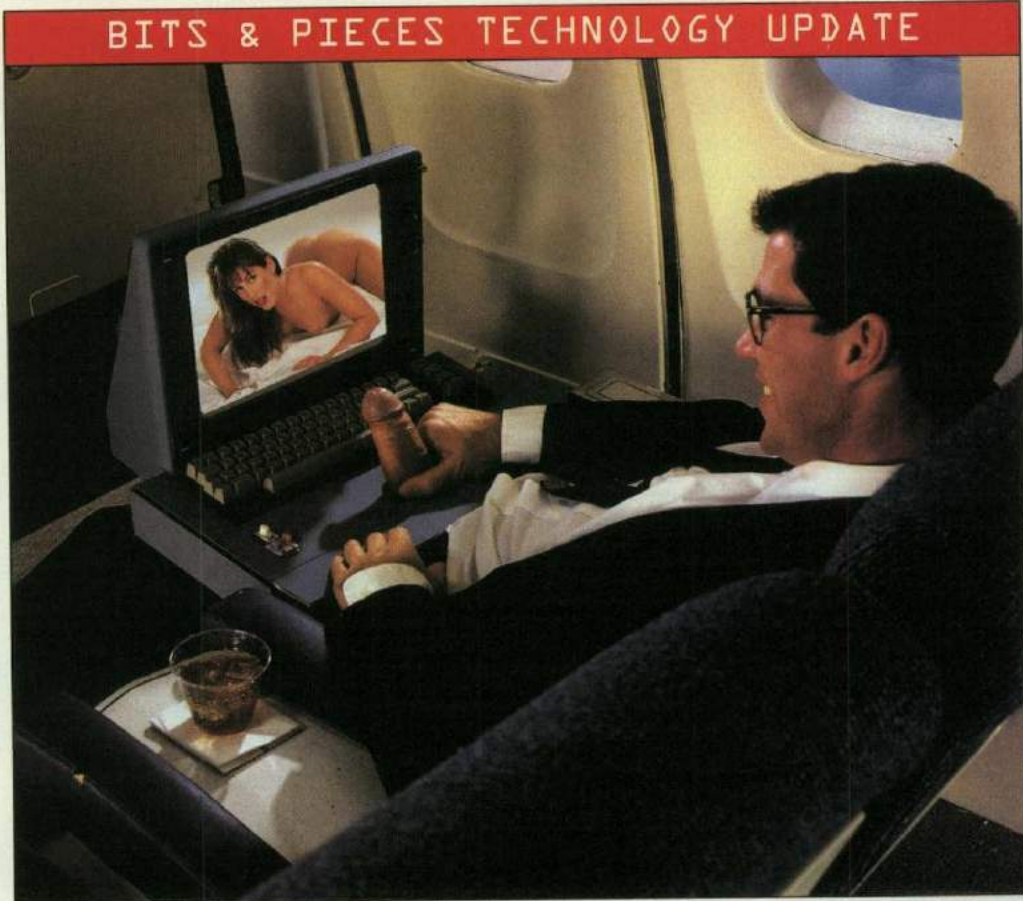

**o. boy!**™ Tampons—  
Because fags are leaky people too.

## A Harder Drive

The information super-highway is a road with at least two big speed bumps, and they're shaped like a pair of titties. The computer has become the CB radio of the '90s. Strangers meet through bulletin-board programs to engage in explicit sexual dialogues via their keyboards. Welcome to the world of Whackintosh. Our computers get *really* personal. The Microhard lap-bop system turns microchips into macrobones, and interfacial blowjobs make software floppies things of the past.

## Shallow Journalism

What's black and white and dreadful all over? The *National Enquirer* and *National Examiner* newspapers. Both tabloids stooped to all-time lows earlier this year by using a computer process to deface a clean photo of Nicole Simpson with fake cuts and bruises. (See inset.) Why stop there?

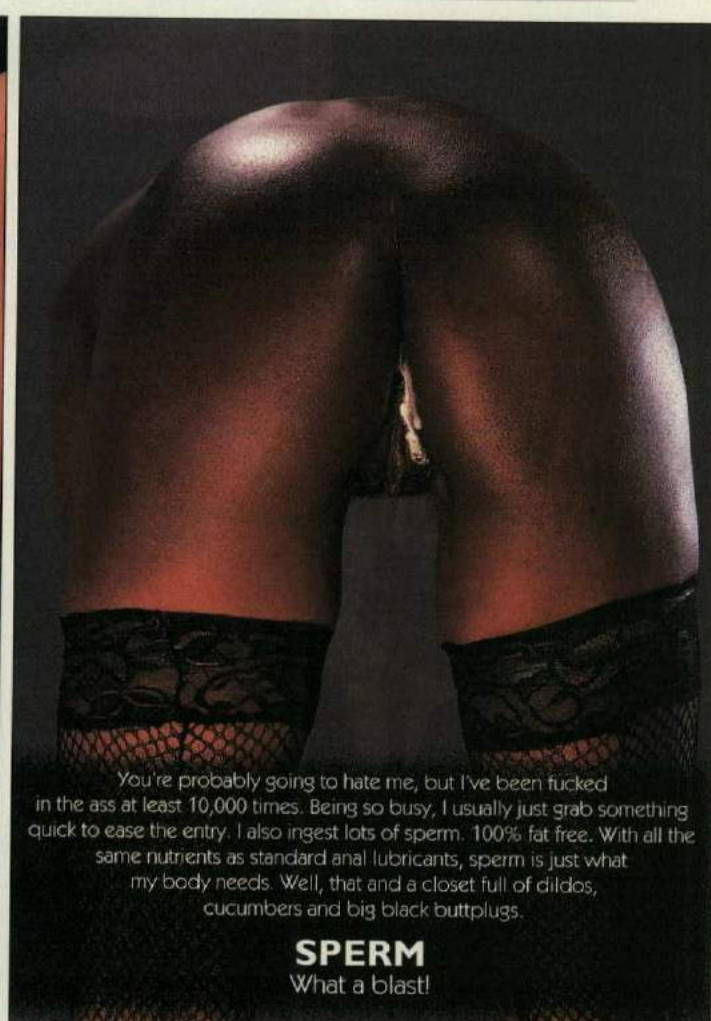

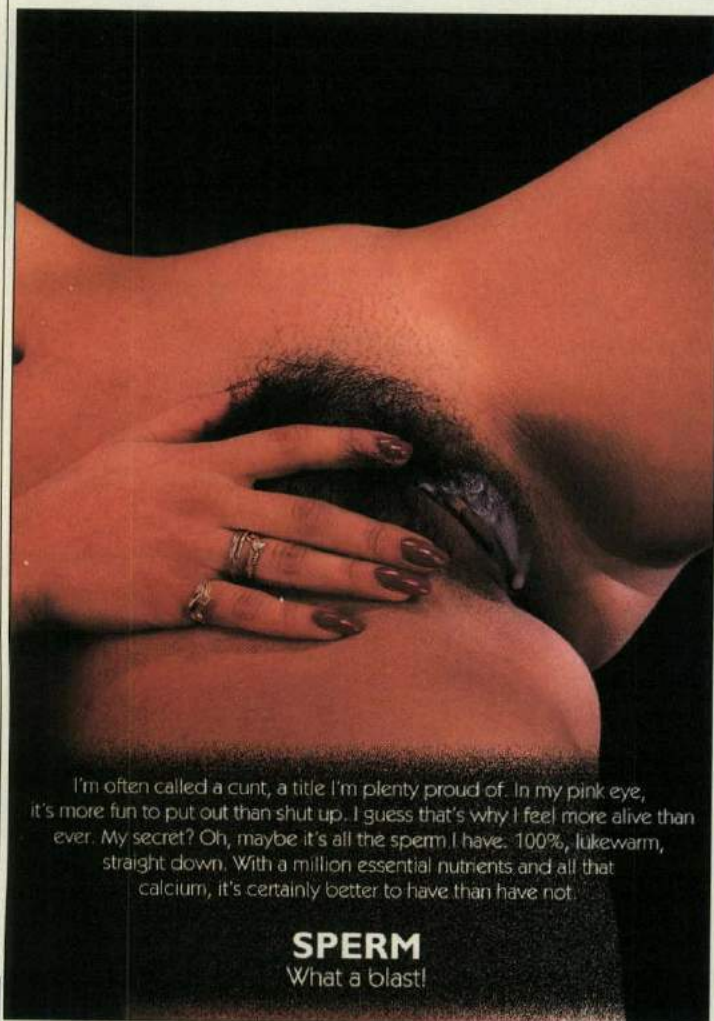

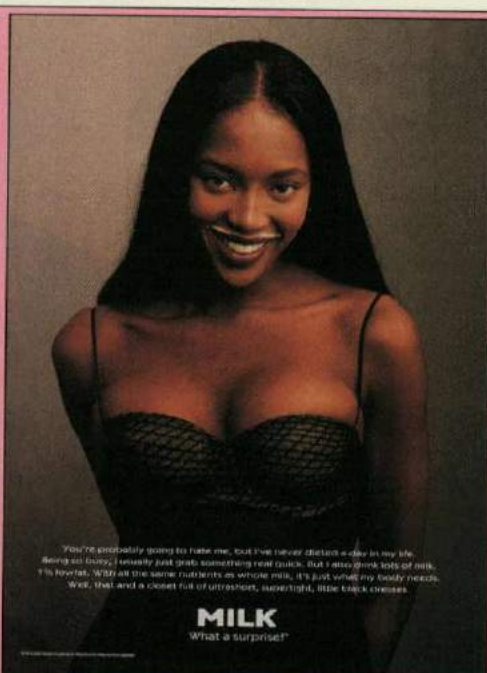

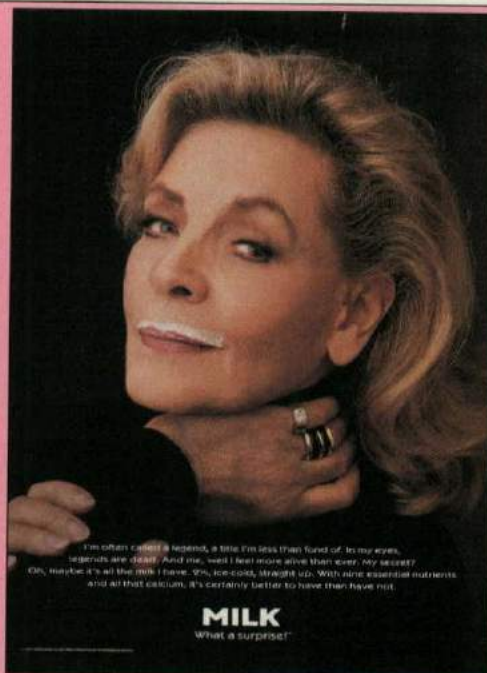

These rags could've snatched bigger sales by electronically picturing the alleged assignation between O.J.'s ex-wife and football great Marcus Allen. In this long-winded case, the media stands as the worst offender.

Parody. Not to be taken seriously. Celebrity heads pasted onto porn models' bodies. The *National Exacerbater* is fictitious.

# Spermliminal Advertising

It's no secret that sex sells. Rarely, though, has an ad campaign so blatantly incorporated hard-core pornography to pitch a product as in a recent spate of milk spots. Celebrities such as Lauren Bacall and Naomi Campbell sport creamy, frothy white mustaches in visual shills for moo-juice. (See right.) Milk makers obviously hope consumers will look beyond the actual photos and swallow the subtle message we've decoded below: A sperm facial is what *really* does a body good.

AD PARODIES. NOT TO BE TAKEN SERIOUSLY.

# Baseball's Biggest Bonehead

**When It Comes to Striking Out in the Game of Life, Darryl Strawberry Is a Real Peach**

The most important record set by San Francisco Giant Darryl Strawberry has got nothing to do with batting averages, RBIs, homeruns or stolen bases: Major-league fuck-up Darryl Strawberry's record-of-note is his rap sheet of chronic infractions.

In a career spanning ten years and three home teams, Mr. Strawberry has missed games, checked into and out of rehab, consistently failed drug tests, sullied himself in the infamous Mets rape scandal, acquired a reputation as a wife beater and been indicted by an unamused IRS.

For his trouble, Darryl was dumped from the Mets, banished at a bargain rate from the Dodgers, and is currently suspended from pro baseball altogether. The former MVP pleaded guilty last February to charges of tax evasion and began serving a three-month jail sentence on March 15, 1995.

**Darryl: With your God-granted athletic ability, good looks and charisma, you could have had anything a black man in America could possibly want:**

- You could have lengthened your nose, via rhinoplasty, for \$6,600.
- You could have deflated your lips for \$3,000.
- You could have bleached your skin for a mere grand-and-a-half.
- You could have straightened your nappy locks for \$225.
- You could have lightened your view of the world with blue contact lenses for a measly 90 bucks.
- You could have courted a swank Trophy Wife along the lines of:

**May Britt**  
(the former Mrs. Sammy Davis, jr.)

**Peggy Lipton**  
(the former Mrs. Quincy Jones)

**Nastassja Kinski**  
(the current Mrs. Quincy Jones)

**Nicole Brown Simpson**  
(no longer applicable)

**Now, the only honkie bitch you have a shot at is Madonna.**

**In short, Darryl, you could have bought into the good life, and still had a fortune left over. Instead, you chose the white stuff.**

**Why do you think they call it dope, D?**

# FEED BACK

## A Star-Spangled Asshole

As I sat on my couch reading the new issue of my favorite magazine, I was filled with more pride than when I hear our national anthem! I'm speaking of the "Asshole of the Month" about Susan fucking Smith! ("Asshole of the Month," *Bits & Pieces*, March '95.) It was a masterpiece! I also applaud HUSTLER for all your raunchy pictures and jokes. I'm sure I'm not the only one to notice, but I wanted you to know I think you're great! —C. W. Branson, Missouri

## NutraSour

The babes in your magazine are great, but I read HUSTLER for the articles that are thought-provoking and mind-expanding. I congratulate Mr. Flynt on publishing a sensual magazine that also dares to print the truth about our government. We all know that the idea of freedom of the press is becoming as extinct as the dinosaurs. That's why I was impressed after reading two recent articles written by Alex Constantine. The first article, *Sweet Poison*, pertained to the dangers of NutraSweet (also called aspartame) (*Sweet Poison: The Harmful Drug Called NutraSweet*, December '94). Have there been any studies done on the effects of NutraSweet on the brain? Another interesting article, called *Hearing "Voices,"* pertained to electromagnetic experiments (*Hearing "Voices": The Hidden History of the CIA's Electromagnetic Mind-Control Experiments*, January '95). How can we defend ourselves against the microwaves entering the mind? I can't run around wrapped in aluminum foil, even if that could help. Tell me some way to combat these outrageous acts by our self-serving government.

—M. C. Ione, California

According to Alex Constantine, the author of the two articles mentioned, NutraSweet (aspartame) may cause changes in the brain's chemistry, including short-term memory loss. As far as defending the body against microwaves, you're right, M. C., aluminum foil is useless. The only beneficial protection

comes from something called a Faraday Cage made of copper, which shields the body from some electromagnetic frequencies. The problem, however, is that the government has developed a number of radio waves that will still penetrate this cumbersome cage. As we continue to monitor the government's role in mind and body control, look for Constantine's shocking findings of CIA involvement with fanatic religious cults in the July '95 HUSTLER.

Mickey and Scott: Their Love Spills Over

## Higher Yearning

I regret that your magazine does not follow in the Christian tradition. For that matter, it doesn't follow any legitimate statement. This tendency for erotic literature is very harmful to society and shows itself to be demeaning to men and women. I'm sure you can consider some other topic to feature, one less damaging to your readers. I would appreciate your looking into the matter and weighing the value.

—F. R. Fall River, Massachusetts

We'd like to follow in the Christian tradition, but obscenity laws forbid us from pictorializing the perverse orgies described in the Biblical cities of Sodom and Gomorrah or the pimp and prostitution parable of Ezekiel. We did, however, feature a naked girl with a tempting serpent in our September '93 issue's centerfold that seems on par with the Good Book's Garden of Eden tale (*Tabatha: Scent Event*, September '93). As an added bonus, Tabatha's pussy features a special scratch 'n' sniff bouquet that can be back ordered by calling our Subscriptions Department at 1-800-220-0314.

## Black and White and Red All Over

Feedback is my favorite part of HUSTLER because readers say what the hell they want and never hold back. Well, I got something to say to your black readers: I am sick of hearing this white-bashing shit. I hear about all these black people who rob, rap, sell drugs and beat their women. They turn

# FEEDBACK

(continued from page 13)

their neighborhood into a violent place with this gang shit and drive-by shootings that kill kids and old people who never did a thing to them. Still, they don't get off their asses, look for a job or take care of their families. Yet, it's all the white people's fault. Bullshit. It must be really fucking nice to have someone to blame for everything you do wrong. I know all blacks are not like this, but it's hard to understand why blacks kill other blacks just because of gangs or drugs. I know if you print this, you'll get letters saying that it's the whites bringing dope in, and it's whites who make the guns; everything but the truth. The black people need to wake up and face the truth. This is not a black and white thing. This is a black and black problem. —L. C. Atmore, Alabama

## Black and White and Pink All Over

If HUSTLER wanted perfection for their centerfold in the 20th-anniversary edition, you found it in Charmaine (*Charmaine: Rock Solid*, July '94). It's almost a year later, and I'm still spilling seed over this British hornbag. By the way, was the male cum-shot in the November issue (*Mickey and Scott: Their Love Spills Over*, November '94) a first in the world of adult-magazine publishing? Thanks for keeping this man from down under up and at 'em. —R. Gold Coast, Australia

HUSTLER realizes that eroticism comes in many colors—and textures. Larry Flynt has always been a trailblazer, but being the best is what America's Magazine is all about, and we proved that once again with *Mickey and Scott* in November 1994. Our readers want more than pictures of uninvolved, air-brushed mannequins. So do we.

## Pussy Envy

Don't be so rough on reader K. G. for questioning [December '94 *Beaver Hunt* model] Victoria's sexual gender ("Get it Straight," *Feedback*, February '95). He probably just wants to be certain of what he's wanking to. Face it, HUSTLER has printed some pretty weird stuff in the past. The she-male three-way called *Fruit of the Gawds* in February '84 and the recent pictorial of transsexual Lana Woods (*April: Fool Bloom*, April '94) come to mind. A guy can't be too careful. I really didn't pay much attention to Victoria until K. G.'s letter, but now I see what he's saying. The squarish chin, the obtuse angle of her jawline and the fairly broad

shoulders are all masculine characteristics. Her chin is tucked; so it's difficult to see the Adam's apple. Victoria's hips also lack a womanly swell and, as K. G. pointed out, you can't see her twat! Why not print another shot of Victoria displaying her more womanly attributes? If she's a girl, I'm sure HUSTLER readers won't object; if she's a boy, at least K. G. will be happy he was right.

—N. A.  
Bryan, Texas

Sorry, N. A., but the photo of Victoria we ran in the December '94 *Beaver Hunt* section was the only one she sent us. We did, however, phone this lovely lass, as we do all *Beaver Hunt* entrants to verify their model release information. Rest assured, that sexy Texas drawl was proof enough of her womanly status.

## Hair Today or Gone Tomorrow

This is my first year subscribing to your magazine, and it may be my last. Your publication is no doubt the best, but must all your pictorials show beautiful women in unnatural form? In other words: Shaved. I grew up with porn in the '70s and '80s when a fluffy muff mattered. What happened? Most girls in real life don't shave; it's too much trouble, it

itches, and it's dangerous. Besides, I believe a majority of men enjoy sopping up sweet juices between the velvety cushion of furry lips! When will you feature hairy pussies again?

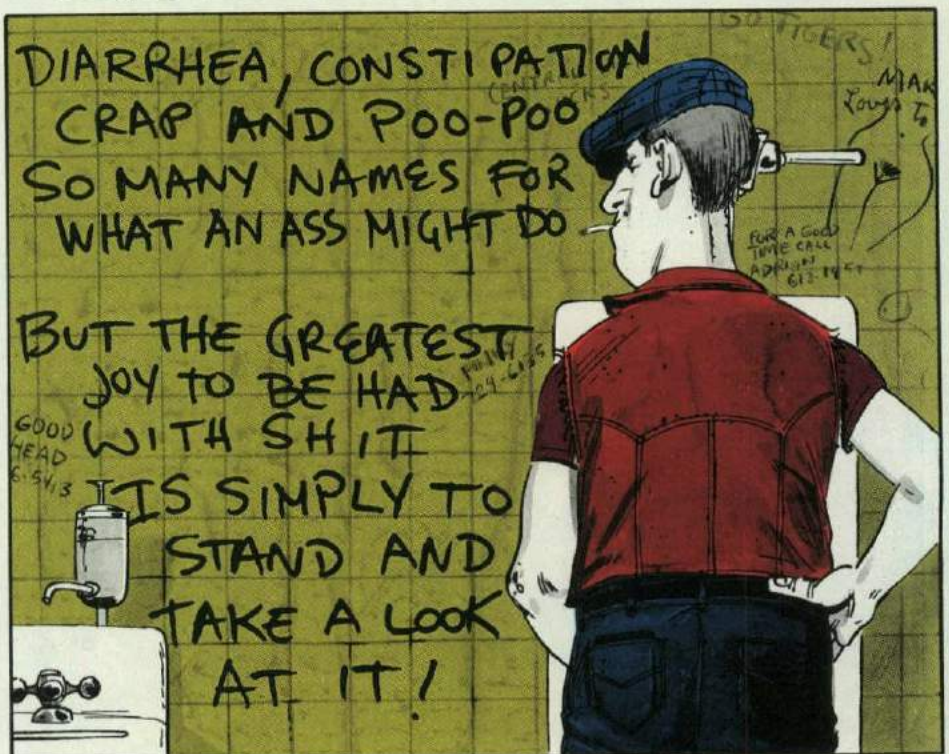

—C. B.  
Chicago, Illinois

HUSTLER merely reflects the current twat trends; we don't encourage them. Rumor has it, however, that beginning next year, a new hirsute pubic fashion statement will sweep the nation, and HUSTLER will be here to cover it. Hopefully, you'll join us for another subscription year, C. B. In the meantime, turn to page 53 of this issue and enjoy our *21-Tuft Salute* to those hairy honeys of yore.

## Boffers Beware!

My 26-year-old son was living with his 40-year-old girlfriend, after dating her for three years. In February '94, they started fighting a lot, but still had sex. She continued to live with him and even spent \$750 on him for his birthday a month later. They split up in October, and she went to the police claiming she was raped back in February. My son was arrested. He admits they had sex, but he didn't rape her. I remember being there (continued on page 27)

EDITED BY MIKE McPADDEN

### BUTT SLAMMERS 8: THE ULTIMATE INVASION

**Three-Quarters Erect.** Directed by Bruce Seven; starring Ariana, Shane Tyler, Bianca, Ivy English, Kaitlyn Ashley, Sindee Cox, Lois Ayres, VixXen and Brooke Waters. Videocassette: Bruce Seven Productions.

The federal statutes that govern content of pornographic videos are vague at best. About the only certainty pertaining to the law and sexual expression is that director Bruce Seven somehow motivates his performers to test the limits of legal allowability more consistently than any other director working in scum cinema today, with the possible exception of Max Hardcore. No sex junkie ever slips just one, two or three fingers into a pussy in a Bruce Seven fuck flick; the cunt manipulators in

Seven situations rarely stop at inserting only one hand. *The Ultimate Invasion* is a fine continuation of the Seven tradition: With no penis in sight, a gaggle of libido-raging, macho-pussy sex starlets prod, suck, spank and strap-on dick each other into glistening pools of girl flesh, boasting a relentless, rapacious hunger for quim that outstrips that of even the most overburdened testosterone carrier. *Butt Slammers 8* will relieve the load.

—Christian Shapiro

**Invasion:** Blind woman's muff.

**Butt Slammers 8:** Ayres and Ariana atop some fresh flesh.

## PERVERTED PART ONE: THE BABYSITTERS

**Three-Quarters Erect.** Directed by John T. Bone; starring M, Valeria, Eva, Satomi, Jordan Lee, Tera Hart, Anna Marie Tyler, Tom Byron, Nick East, Blake Palmer, Peter North, Jake Williams and Dave Hardman. Videocassette: Zane Entertainment.

The term *perversion* signifies different things to different people. To John T. Bone and the people at Zane Entertainment, *Perverted*, as defined by the action in *The Babysitters*, means: a wanton, happy-hole blonde with two dicks in her pussy and three in her face choosing a round of asshole roulette as four porn studs in diapers and bibs line up to cock-plug her anus while their buddy bones her cunt. Further perverse definition comes along with a sprightly brunette who stands on her head while two meaty pricks slide simultaneously through her sphincter rings. In conclusion, the three-scene *Perverted* ends with a human ring of raunch that describes and contains a filthy orgy pileup, the type of fucking frenzy characterized by constant and fervent anal attentions, facial cum geysers, and hard, clit-chafing pussy-pumping, qualities that permeate every section of *The Babysitters*. *Perverted* means good stroking.

—C. S.

**Perverted:** M is for meat pile.

## DEEP INSIDE KEISHA

**Three-Quarters Erect.** Directed by Various; starring Keisha, Rachel Ryan, Tami Monroe, Brittany O'Connell, FeFe, Tianna, Alicia Monet, Vicki Blair, Barbara Dare, Tami White, Jose Duvall, Scott Irish, Dan T. Mann and Tony Tedeschi. Videocassette: VCA.

No woman is an island, but XXX supernova Keisha comes close: a paradisiacal fuck-bird whose northern topography boasts naturally formed, flawlessly huge flesh-volcanos, while below, her deliciously hot tropical sex-spring ever beckons lucky divers to take a plunge. Keisha is a huge star in every sense; what a pity that her well-earned *Deep Inside...* compilation/tribute should come up a bit short. While most scenes feature Keisha at her finest—especially the eight-banger, beachfront, baby-oil orgy—many are poorly edited, and one, with a trio of muff-chewing milkmaids, doesn't even show Keisha with her clothes off! Such serious drawbacks aside, *Deep Inside Keisha* does assemble a bevy of whack-worthy footage of one of porn's all-time most awesome fuck-giants. For that alone, *Deep Inside Keisha* is worth exploration. —Selwyn Harris

**Keisha:** The deepest.

## TOTALLY NAKED

**Half Erect.** Directed by William Carelee; starring Deidre Holland, Kaitlyn Ashley, Tiffany Mynx, Jasper, Jon Dough, Jay Ashley, Joey Silvera and Alex Sanders. Videocassette: VCA.

Rather than start with a bang, *Totally Naked* commences with a pair of breathy girl/girl scenes that are heavy with murmuring, sighing and matching pumps on the chicks' feet, but light on compelling erotic intensity. *Naked* never completely recovers from this initial sabotage of sexual momentum, but a few of the performers do give it a decent shot: Dirty blonde ass-and-tits-and-bone trollop Tiffany Mynx, unfazed by her opening sapphic segment, shimmies all disheveled and sex-charged while licking along the length of Jon Dough's dong, prompting him to flip her over and power pump; and Kaitlyn Ashley's pussy lips spill out between her flour-pale thighs like a double serving of pastrami overflowing two sugary slices of whitebread as a pair of dudes refine the art of rude and crude cum sculpture, dripping evocative strands of genetic rope from big-eyed Kaitlyn's nose, cheeks and chin, ending *Naked* with the bang its beginning lacks. —C. S.

**Naked:** I'm not a penis, but I play one on TV.

## CUMM BROTHERS 5: THESE NUTS FOR HIRE

**Three-Quarters Erect.** Directed by Rodney Moore; starring Sundae Brunch, Kate Kayte, Tess Newheart, Harletta, Brianna Malloy, J. R., Wolf Gusher and Rodney Moore. Videocassette: Odyssey Group.

Rodney Moore's *Cumm Brothers* series delivers an amiable, clever-in-spots spin on adult video's most overattempted genre: the goofball and his buddy getting laid because they've got a camera. *These Nuts For Hire* places Moore and hard-on homey Wolf Gusher in the hands of older, remarkably hard-bodied television producer Sundae Brunch, whom the boys butt-bang repeatedly throughout this go-round. Mouthwatering, blond flesh-heap Kate Kayte steps from behind the lens for a DP; Tess Newheart, with amusing flourish, plays a deranged, homeless woman afflicted with a syndrome that sporadically renders her slutlike; heavy-jugged Harletta bears a brother in each hole; and lithe, glamorous J. R. jiggles and giggles throughout the closing pooper-poke. *These Nuts For Hire* is a welcome addition to the *Cumm Brothers* family. —S. H.

## TRIPLE PLAY 580

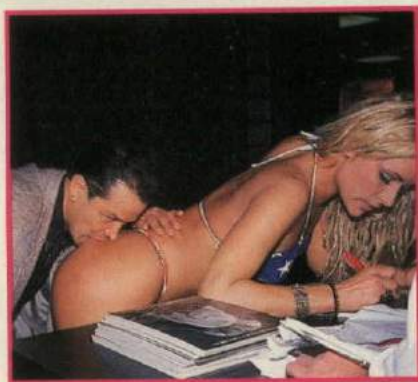

**One-Quarter Erect.** Directed by Unnamed; starring Sidney Dance and some other folks not credited. Videocassette: Odyssey Group.

Any video line that has sustained itself for an astounding 580 editions would seem to be doing something right; *Triple Play 580* proves that logic wrong. Three poorly shot, pedestrian, musicless sex scenes, starring five nobodies and one ample-bodied porn ginch are all viewers get here. No matter how drool-inducing mountain-mammared Sidney may be, *Triple Play 580* qualifies as an almost total bust. Seek out the multit talented Ms. Dance in real fuck movies. —S. H.

**Triple Play:** Double-stacked Dance.

## Heaving LAS VEGAS

Dining on Debi Diamond.

Hot ginch chills out.

Shane shows.

That's what glands are for.

The post-holiday season means big bills and winter doldrums for most respectable citizens, but for the adult-entertainment industry, three important letters come immediately to mind: CES.

The Consumer Electronics Show gathers all of porn's tribes for an annual weekend of revelry in Las Vegas, dumping tons of smut merchants, silicone boobs and goofy gawkers among the bright lights and (relatively) innocent gamblers.

This year's major events seemed to be the torrential rains and the record-setting onslaught of bug-eyed onlookers. CD-ROM remains a hot prospect—though still mostly a prospect—and perpetual XXX presence Ron Jeremy pleased more crowds than ever as he tirelessly hawked his unwatchable directorial opus *John Wayne Bobbitt Uncut*.

For the real, behind-the-scenes story of CES—who fought who, who made friends, who got fucked and who did the fucking—turn to the scrotum-singeing, brainpan-blistering exposé on page 56 by HUSTLER EROTIC VIDEO GUIDE Editor, Mike Albo.

*Sex: A real Ninn-y.*

## MICHAEL NINN'S SEX

**Half Erect.** Directed by Michael Ninn; starring Sunset Thomas, Tiffany Million, Debi Diamond, Deidre Holland, Chasey Lain, Diva, Misty Rain, Asia Carrera, Gerry Pike, Jon Dough and Richie Razor. Videocassette: VCA.

Any horny bastard who ever passed out, hand on dick, during a libido-tugging TV commercial for Miller Ice Draft Bud Lite beer, then dreamed that the model-quality quim shilling the suds crawled out of the old and into the choad, should wake up and turn on *Michael Ninn's Sex*. Shot with the slickest production values and special-effects wizardry of MTV and Madison Avenue, *Ninn's Sex* is either a dream-come-true or a cathode nightmare, depending upon the viewer's point of view. A raspy Tom Waits-on-dumb-pills voiceover narration, longhair fancy boys with English accents, fashion-shoot photography of preening, posing, primed-up women, and sad, plaintive, throbbing reflections upon love and loss, are all among Ninn's erotic stimuli, and each is known to trigger sexual arousal in faggots and 14-year-old girls. For the rest of us, *Sex* eventually—after a numbing onslaught of visual and thematic clichés that expose the conceits of Ninn's artistry to be exact counterparts to the artificiality that his narrative facetiously decries—melts down to some wicked, extended slut play, but with too much commercial filler around it.

—C. S.

Hate Women?

MAX Hardcore

Does

Max Hardcore lives up to his moniker. In such beyond-the-pale video lines as *Anal Injury*, *Cherry Poppers* and *Anal Destroyer*, the former UPI photographer-turned-filth-auteur pushes his starlets to every conceivable limit—legal, moral and, especially, physical. Max dropped by the HUSTLER compound to explain himself.

HUSTLER: What do you see as the appeal of *The Anal Adventures of Max Hardcore*?

MAX Hardcore: Max—as he is a character I portray—is an average joe, someone any regular guy can relate to. I also stick exclusively with new faces, fresh meat and, as anybody who's seen my movies knows, I play a lot rougher than most.

HUSTLER: How do you get the girls to go that extra mile—or, more specifically, those extra inches?

HARDCORE: It's my personality. I'll always rise to a challenge. There's nothing I love more than when a girl insists to me that she won't take a cock in her ass, because—oh yes she will!

HUSTLER: Who have been your favorite girls to break in?

HARDCORE: VixXxen was great, but Tammi Ann was the best. She was hell-bent on not doing an anal scene. "Fine," I told her. "Then you'll do a DP." We didn't leave that night until she did it. Look where she's gone since then.

HUSTLER: What does the future hold for Max Hardcore?

HARDCORE: Onward and upward. People say, "Big deal; he can stretch a girl's asshole apart wide enough to stick a flashlight in it"—but I'm a true craftsman. I've got two new lines coming out, and just recently I directed *Costa Rica Studies*, for Private Video, which HUSTLER awarded a Fully Erect rating.

HUSTLER: So, does Max Hardcore hate women?

HARDCORE: There may be some truth to those rumors, but I'd like to clarify that by pointing out: What I hate is *stuck-up bitches*. I really love being in the position now where I can put them in their place. Sometimes I feel like the luckiest guy in the world.

*The Max Man in Hardcore action (clockwise from top): ravaging a retcum in signature style; a bone, a brunette and her butthole; poolside bung-plunge brutale; cherry-popper Hardcore pokes a new prospect, perpetually sporting irresistibly sadistic savoir faire.*

## RIOT GRRRLS

**One-Quarter Erect.** Directed by Jim Enright; starring Sarah-Jane Hamilton, Sierra, Kaitlyn Ashley, VixXxen, Veronica Sage, Peter North, Joey Silvera and Steven St. Croix. Videocassette: Sin City.

Big-league porn, apparently, has gone insane, though not as represented by the sexist smut peddlers portrayed in *Riot Grrrls* by Joey Silvera and Steven St. Croix. It's here in the real world that the adult industry begs for rubber-room counseling: How else could dumb, ponderous, anti-erotic dreck like *Riot Grrrls* even be made, let alone presented—in a gorgeous, enticing box cover—as art? Raven Touchstone's moronic script is appropriately served by Jim Enright's clueless direction, supplying extended, close-up crotch shots of masturbating males; sex obscured by shitty, black-and-white photography; sumptuous Sarah-Jane Hamilton wasted in a scene where she dresses Silvera in drag, but never completely disrobes herself; and talents who were *not* hired for their acting ability delivering interminable diatribes on pro-porn feminism and other such New Age idiocies. The tape's sole grace is that each of the *Riot Grrrls* is a stunning, gifted blue-screen performer. So what? When XXX consumers are ultimately driven to full-scale rebellion, pin the blame on sleek-looking rip-offs like this one.

—S. H.

**Grrrls:** Sarah-Jane hams a ton.

**Racially:** Valentino and Yung, in fucking color.

## SEXUAL HEALING

**Half Erect.** Directed by Bud Lee; starring Kelly Jaye, Asia Carrera, Kylie Ireland, Christina West, Krista, Jon Dough, Nick East, Steven St. Croix and Buck Adams. Videocassette: Vivid.

Jon Dough is one of the most competent actors who has ever resorted to spritzing his dick for a living. He's the Charles Grodin of porn, equally adept at brilliant, absurd, hilarious self-deprecating irony and intricately realized dramatic characterization. His performance in *Sexual Healing* as an extremely bitter, world-loathing, self-pity-oozing cripple is imbued with an understated realism that is doubly impressive considering the one-take, half-rehearsed nature of shooting smut, but the video still only gets a Half Erect rating. Being paralyzed below the waist severely limits the kinds of moves a guy can make during his sex scenes. The rest of the fucks leave no real impression: Some cum shoots on a hip; chicks snack on squack; Buck Adams comes on a butt. *Sexual Healing* is no real cure.

—C. S.

**Healing:** Cruel Kelly ass-slapping Asia.

## RACIALLY MOTIVATED

**Half Erect.** Directed by Rob King; starring Jordan St. James, Janet Jacme, Kitty Yung, Champagne, Valentino, Tony Martino and Dick Nasty. Videocassette: Las Vegas Video.

*Racially Motivated* offers multi-ethnic sex configurations with a body count. Swarthy dick Valentino and Asian munchpot Kitty Yung play cops on the trail of a hooker-murdering madman. The first victim is Janet Jacme, who services mean pimp Dick Nasty to frothy, face-aimed fruition. Peroxide heavy-hitter Jordan St. James jumps atop Tony Martino's tool; Nasty and Martino make a reverse-Oreo by cramming melanin 'ho Champagne in the middle of their heavy cream; and Valentino taps Yung in the bathtub after triumphantly cracking the case. Fans of interracial fucking may well be onanistically *Motivated* by this all-around okay endeavor.

—S. H.

## HISPANIC HOOTER HO-DOWN

**One-Quarter Erect.** Directed by Rob King; starring Diva, Alicia Rio, Isis Nile, Heather Lee, Tony Martino and Jessie Eastern. Videocassette: Las Vegas Video.

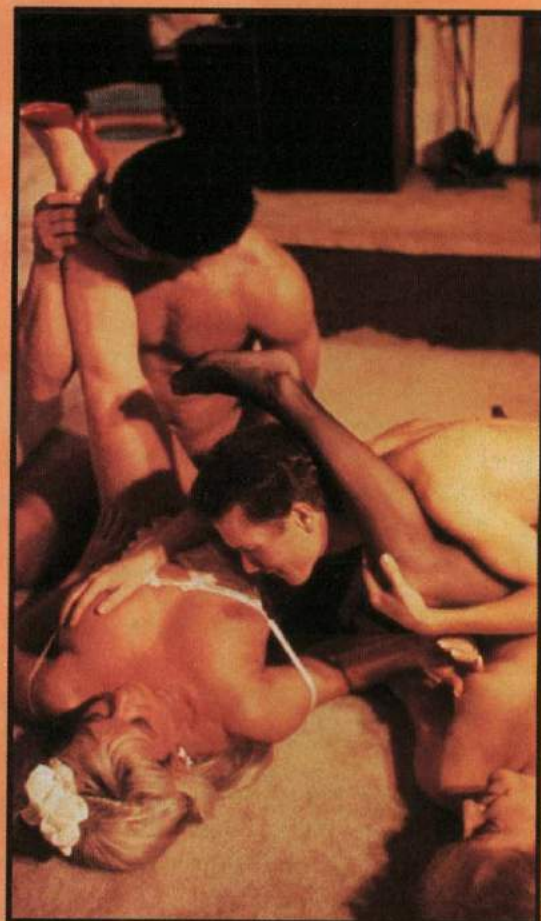

What *Hispanic Hooter Ho-Down* is missing in erotic inspiration and fluid filming technique is more than compounded by a lack of resources. The low-rent backyard of the tape's climactic poolside fuck, the cut-rate furnishings and bare repo-to-be decor of the "beautiful new three-story home," and the pair of over-the-hill stunt cocks who poke the standard-issue dark-skinned tail of *Ho-Down* indicate that not much money was spent on this production; the presence of Isis Nile, whose name indicates an Egyptian origin, shows that the casting director couldn't even afford to hire enough Mexicans. Alicia Rio's meaty hole flaps are always beguiling, the last broad has silicone tits bigger than her head, and at least two of the tight brown lovelies who slurp slob knob herein are pretty enough to spend some money on in a Puerto Rican cathouse, but that's not the same as getting caught jacking off to a tepid video of them. —C. S.

## POSITIVELY PAGAN VOLUME 10

**One-Quarter Erect.** Directed by Various; starring Laurie Cameron, Saki St. Jermaine, Suzie Fantasy, Kitty Foxx, Christina Appleleighe, Jessica Stone, Dick Nasty, Damian Wolf, Arnold Shwartzenecker and many others. Videocassette: Ataxi.

The swinger lifestyle—endless nookie blowouts with a myriad of semi-anonymous partners—might seem appealing, at some point, to any horndog; a single glimpse of what most swingers actually *look* like is usually all it takes to nip such curiosity right in the fucking bud. *Positively Pagan Volume 10* presents literally dozens of scuzzy, misshapen, swinging "free spirits" carnally cavorting among themselves and with the odd porn star, inadvertently making a powerful argument not just for old-fashioned sex, but old-fashioned sex tapes as well (i.e., with *attractive* participants). Limber, savory Laurie Cameron bounces nicely with an erection in her anus, and aged cock Dick Nasty nails two adorable, out-of-place strumpets to fine effect but, in all other regards, *Positively Pagan Volume 10* is negatively arousing. —S. H.

*Pagan 10: Positively nauseating.*

# FEEDBACK

(continued from page 17)

the day it happened and, believe me, it was not rape! They charged him with second-degree rape, he got seven years and she got all his stuff. I know of two other situations where the same thing happened to guys. Let me warn you men out there: Be careful with your wives, girlfriends or lovers. You could have sex with your girlfriend, and a year later she will say you raped her, and she'll clean you out of house and home. Watch out men. The law is on the woman's side. —M. V. Massyrock, Washington

## Haven and Hell

I want to comment on some serious contradictions with the ratings HUSTLER and HUSTLER EROTIC VIDEO GUIDE are giving to porn stars. In HUSTLER's October '94 issue, your critics picked the best fuckers of all time (*The Stroker's Dozen: HUSTLER Picks Porn's All-Time Finest Fuckers*, October '94). Featured among your list of best porn stars is my favorite, Annette Haven. You gave her high marks, and I fully agree. But, how do you explain Sam Lowry's article "Beautiful and Boring" in an earlier HUSTLER EROTIC VIDEO GUIDE ("Beautiful and Boring," *Raincoat Crowd*, HUSTLER EROTIC VIDEO GUIDE December '91)? Lowry describes Annette Haven as "The premiere ice princess of porn" who looked like "she'd rather be doing her nails" than getting boned. If I were Annette Haven, I would sue Sam Lowry. So, why do two fine publications such as HUSTLER and HUSTLER EROTIC VIDEO GUIDE contradict one another like that? Also, I would like to know what happened to Annette Haven, as she has not done any porn movies for a long time. —P. O. Nicosia, Cyprus

While we believe that an open exchange of ideas and opinions is important to any free-thinking discussion, especially in regards to the fur and flesh of hard-core pornography, HUSTLER does not acknowledge the ignorant ramblings of piffing whack-scribe Sam Lowry, whose byline, P. O., you'll notice has long been absent from the pages of HUSTLER Magazine. By the way, the angelic Ms. Haven is apparently making a (non-sexual) film comeback as a dominatrix in a line of fetish tapes to be distributed this summer by RedBoard Video. For more info, write RedBoard at P.O. Box 2069, San Francisco, CA 94126.

## An Idiot Responds

I'm one of the "poor pathetic idiots" who enjoy HUSTLER as described by J. C. of Paris, Texas, in a recent letter ("Think on It," *Feedback*, March '95). I thought I'd write a note in response. I read in Erich Fromm's book *The Art of Loving* that a man feels a need to overcome his "feeling of aloneness in the world." There are a few ways to accomplish this. The ideal manner is through interpersonal fusion in love (although, in part due to cunts like J. C., that's the one that very few of us find). Another way to overcome this feeling is through a creative activity (such as writing about cunts like J. C.). The final way to alleviate

the aloneness is by reaching orgasmic states of an intense, but transitory nature that can be accomplished by taking drugs, fucking whores or jerking off to the fine broads in HUSTLER (while trying not to think about ball-cutting cunts like J. C.)!! Thanks for letting me get that off my chest. —S. S. Grass Valley, California

Do you have a comment or complaint? We want to hear it. Send your letters (typed or neatly handwritten) to HUSTLER *Feedback*, 9171 Wilshire Boulevard, Suite 300, Beverly Hills, CA 90210. Include a phone number if you want your letter considered for publication. 📞

## JOCK SLUT (LEATHERNECK PIGEON)

**Primary Features and Habits:** When in her teasing mode, she travels with bright wings called "pom-poms" extended to appear sexually alluring. An acrobatic fucker, she averages four partners per mating period and often finds herself on the floor of a strange person's house, drunk and surrounded by large men standing over her with penises ready to pop. A picky breeder, she avoids tennis players, preferring football, basketball or wrestling team captains.

## MALL SLUT (COSMETIC COUNTER VULTURE)

**Primary Features and Habits:** On the ground, they are camouflaged by shopping bags, often displaying a Judy's or Gap logo. With legs up, their waxed pubis and breast-implant scars mark a distinctive underbelly. Characteristic mating call sounds like, "Dude, you drive a Beemer, cool!" Frequently seen nesting in public restrooms with a male dressed as a fast-food server. Although she demands her mating partners wear rubber sheaths, she won't mind a little spilled seed dumped on her naked body postcoitus.

## NEW FEMINIST SLUT (NEVER SWALLOWS)

**Primary Features and Habits:** Conservative grays and browns mark this tight-lipped bird, whose prudish ways have been known to incite sexual aggression in males who see her as a mating challenge. Feigns emotional injury when in danger or soon after male ejaculation. Found at NOW rallies, lesbian marches and Suzanne Vega concerts, she's frigid to the touch, but possesses the heart of a fucking beast inside. She will suck sap straight from the trunk, but rarely will she swallow. Migrates bi-coastally, sucking cock or cunt as is its liberated wont.

## COMPANY SLUT (HARASSMENT HUMMINGBIRD)

**Primary Features and Habits:** With a clearly visible sexual streak, this bird preys on unsuspecting males who believe her flirting advances to be genuine. Often seen hovering near the company coffeepot, she also flits about the office searching for a male uttering a litigious sexual double entendre. Often ducking into dark passageways if gossip conversation is within earshot, she can only be detected by the *whossh-whosshing* of her nylons rubbing together. Has a distinctive pattern of courtship that begins with mailroom personnel and soars all the way up to the executive office.

## OLD SLUT (GRAY-BELLIED SAPSUCKER)

**Primary Features and Habits:** Plumage tends to be a brightly colored mix of years of makeup stuck into crow's feet that extend down through its lores. Their back is usually hunched, and knee joints maintain a permanently purplish, bruised appearance. She's most likely been a Jock Slut, Actress Slut, Company Slut, Bar Slut and AA Slut on her way to Old Slut status. Still moves freely in any of her former breeds, trying desperately to lure young males to her nest. Spring cocks who can overlook her deathly exterior enjoy some of the most experienced mating of their lives.

## PUNK SLUT (PIERCED THRASHER)

**Primary Features and Habits:** Wings are clipped and beaks are pierced. Roosts communally, often on the empty floor of the rare member of its species who can afford a nest. Bright pink plumage and a deep-red beak suggest an allegiance to the Courtney Love Sapsucker species. Uses sex to earn additional piercings. This bird rarely procreates, but does produce yeast in uncommon amounts. Also known for regurgitating as a form of mating call. Its feathers are matted; this fowl avoids bird baths at all costs.

## SORORITY SLUT (SWEATERED MOORHEAD)

**Primary Features and Habits:** Pouting breasts jut from a dainty wool-like exterior. In fact, her demeanor seems soft and delicate until peer pressure forces her to fuck several selected members of the male fraternity family, often using Peppermint Schnapps, Jagermeister and a set of golf clubs as sexual enhancers. Feigns orgasm to get the deed over with as quickly as possible. The best-looking members enjoy prancing around their communal nest in bra and panties. Flits around parties, sucking off males in bathrooms between refills at the punchbowl.

## TRAILER PARK SLUT (RUFFED-UP GROUSE)

**Primary Features and Habits:** Under her white eyes is a prominent black eye-stripe which fades when this species leaves an angry lover's nest. Inbreeding has caused an unpredictable hybrid. Found in mostly RV habitats, this big bird is also a common sight at tattoo parlors and swoops around the beer keg at biker rallies. Plump, lethargic and leathery from years of exposure to cigarette smoke and diesel exhaust, she can belch the alphabet and bowl 150 with her off-wing. A migratory bird, she fucks every male within a 250-mile radius of every new settlement.

## WIFE SWAP

I'm not really the vengeful type, but I have my pride, and when it's trampled like a cockroach and flushed down the toilet, I demand payback.

For two years, I was Joe's slave. I cooked and did laundry for him, fucked him when he came to my place at 3 a.m. with bourbon oozing out of his pores, jerked him off when my pussy was packed with yeast—all in the hopes that he would pop the question one day. Finally, after I'd pestered him about wedding bells one time too many, he told me that he couldn't marry me. He already was married, had been for six months, to a sweet little girl 14 years younger than I.

Joe supposed correctly that I didn't want to see him ever again. He said he was sorry about what he'd done, but Jennifer's tight, 20-year-old twat had him hog-tied. I could probably still find someone else, he assured me, and until then I had our library of home videos, which he was generously allowing me to keep.

As I was about to drop a match onto the pile of tapes on the kitchen floor, I thought of a better use for our amateur movies.

"Hi, Jennifer," I said to the high-pitched voice on the other end of the line. "You don't know me, but I bet you'd like to know what your husband's been up to."

She didn't believe me, of course; so I invited the slut over to look at proof. I had to admit she was kind of cute, with that slack-jawed, dumb-baby look that guys go apeshit over.

"I want to see it," she demanded arrogantly, as if she were calling a bluff—although a tiny quiver of her plump lips gave away her anxiety.

I popped a hot one into the VCR and sat back to enjoy myself. Jennifer watched the screen wide-eyed as Joe's prick ham-

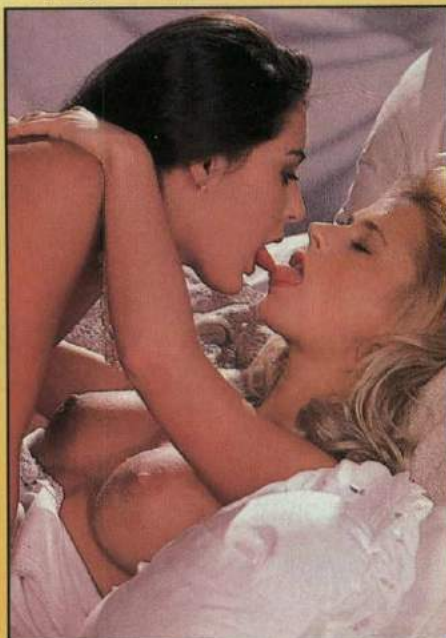

mered my pussy from every angle, scored by a soundtrack of "Yeah, nobody rides cock like my baby" and "Mmmmm, that's the best little cunt in the world." When Joe shot a giant wad that cracked like an egg on my chin and dripped down my neck, Jennifer's eyes filled with tears.

This wasn't going the way I'd planned at all. Anger I could deal with, but not the silent misery of someone who really was innocent. I aimed the clicker at the VCR.

"No," whispered Jennifer, mesmerized. "I want to see more."

Her eyes were riveted to the screen, where Joe was sliding his tool in and out of my mouth while I sat with legs spread, feverishly fingering my clit.

I looked away from the TV, embarrassed now, and stared instead at Jennifer. She really was pretty, with pale-blue eyes and a smooth, rosy face, framed by swirls of natural blond hair. And was it my imagination, or were her nipples erect? It must be the friction of her two-sizes-too-small sweater rubbing against her perfectly round, braless boobs. Whatever the reason for the emergence of those two tempting tidbits, I was even more uncom-

fortable now. I squirmed in my seat, trying to find an angle that would take the pressure off my tingling cunt.

Jennifer's mouth dropped open. "He doesn't do that to me!"

I turned to the screen to see Joe buried up to his eyebrows in my pussy.

"You're kidding!" I exclaimed, forgetting that she was the competition. "I make him do it. If he's gonna get in the elevator, he's gotta go down."

Jennifer dropped her face into her hands and wept. This was all my fault.

"Listen, honey, you aren't missing anything," I admitted, putting my arms around her thin shoulders. "Joe couldn't find my clitty if it bit him on the nose. I eat pussy better." A big fat lie. I've never been very good at munching muffs—I'm too squeamish about what's been in them.

"You do?" sniffed Jennifer, wiping her eyes. Looking at me imploringly, she lifted her skirt and showed me her panties—crisp, white-cotton briefs with a telltale wet circle between her thighs.

Overwhelmed by sympathy and horniness, I pulled her undies off and, taking a deep breath, dove into her downy, flaxen bush. *It's no worse than a cheesy dick*, I told myself as I parted her lips and licked the tender, pink petals inside. *And you've sucked your share of those*.

But I soon forgot about the mildly disagreeable taste. Jennifer was jerking her slim hips like crazy, howling at the slightest touch of my tongue. I'd never gotten a reaction like that before out of anyone, man or woman. Jennifer's vocal appreciation was very gratifying, to my ego and to my pussy, which was gushing like Beaver Falls.

I burrowed deeper into her snatch, smearing my face with her girly goo and thrusting my tongue into her hole as far as it would go to slurp up every sweet and sour bit of her. Her body tensed as though it had been struck when I pressed my nose into her clit and, with a shudder, she released a stream of golden flavoring down my throat.

"Now I want to feel your breasts against mine," she panted, reaching down to grope under my blouse.

I quickly removed both of our shirts and mashed my tits against hers.

"This is what *he* feels," she said, her eyes welling up again.

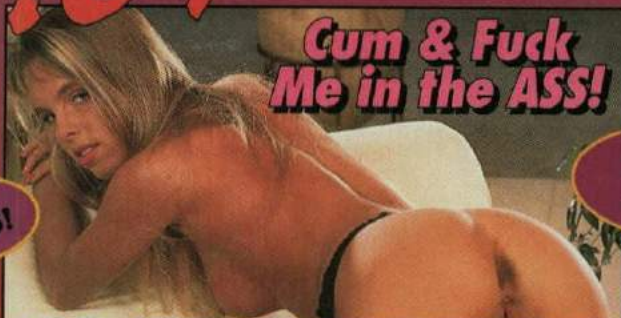

"But he doesn't taste this," I reminded her, sucking her tongue into my mouth. "Taste yourself. Isn't it good?"

Jennifer nodded her approval and pulled me closer, instinctively grinding

Her body tensed as though it had been struck when I pressed my nose into her clit and, with a shudder, she released a stream of golden flavoring down my throat.

her bare cunt into my clothed one. Hiking one leg up, she slipped her big toe under my panties and yanked them down so that our naked, swollen clitties touched. We slowly rotated our hips in sync, our cunts glued together. When I felt by her frantic clutching at my ass that she was getting close too, I furiously smashed my button against hers, like a rock against a cap, until we both exploded.

"I don't ever want to see him again," she declared, holding me tight as I happily drifted off, my face nestled in her fragrant neck.

Jennifer never left. She sent her brother for her things, giving Joe no explanation for her sudden change of heart—although he soon found out. Just to tide him over until he found someone new, we sent him a new videotape of me plowing into Jennifer from behind with our favorite toy, which we call "Big Joe."

## BUILD ME UP

I'm not ashamed to say that I'm madly in love with my wife. It's as big a thrill for me today as it was 12 years ago that a magnificent, jaw-droppingly gorgeous goddess like Susan would even give the time of day to a schmo like me. I've got a pug nose, I can count the hairs on my head on one hand, and I'm not very tall—in fact, I'm barely eye-level with Susan's miraculous mams, which are so big, it's a wonder her spine didn't snap from the weight long ago. Those heavenly honeydews, combined with long legs, a torrent of chestnut curls, a Hoover where her mouth should be and a butt you could hammer nails with all make for a mighty pretty package. To top it off, she's modest—shy, even. Despite having natural assets that a stripper would kill for, Susan never wears anything more revealing than a Laura Ashley frock, and a compliment from any man besides me reduces her to a quivering dish of Jell-O. I would do anything for her.

For our tenth anniversary, Susan promised me a big surprise. I didn't think anything could top my 35th birthday, when I was greeted at the door by Susan and her best girlfriend, both naked and drunk and dripping a trail of pussy juice across the living-room carpet—but I was wrong.

Our anniversary unfortunately fell on a weekday, and I was way too busy to skip work. I'm a foreman for a small construction company, and we were behind schedule. I was working through lunch,

checking orders, when I heard a cacophony of whistles and catcalls that were even more beastlike than usual. I looked up to check out what cute secretary or bookkeeper had warranted this energetic display from my co-workers and was astonished to see my wife waltz onto the construction site, wearing a bright-red Lycra number that was a dress in name only. The dangerously stretched neckline sliced into her phenomenal chest right above her areolas, creating a quadruple boob effect, and the hem just reached the crease separating her legs and butt. Her thighs were clamped together so tightly that she couldn't move more than two inches a step, and this task was made even more difficult by her four-inch, spike-heel, crimson, fuck-me pumps. Two glasses dropped and shattered in the time it took her to totter over to a keg of nails, on which she ceremoniously lowered her precious bundle.

When the other guys saw me take a step toward Susan, they realized that something was up and wisely stopped their hooting, but they still couldn't tear their eyes away from her. They couldn't tell, but I could see that poor Susan was shaking like a leaf, despite her attempt at nonchalance. It dawned on me that, as her anniversary gift to me, my bashful but adoring wife was making the ultimate

sacrifice. She knew that the only thing more satisfying than an ugly guy like me snagging a gorgeous babe is having other ugly guys witness the snagging. Casually crossing her legs, Susan flashed a glorious glimmer of fiery-red bush at me—and at the poor carpenter behind me, who choked on his ham sandwich.

My cock, which had sleepily half arisen when Susan's tits jiggled over to the nail keg, now roared fully awake, pressing impatiently against my jeans. I ran to Susan and dragged her over to the Porta-San.

"Just hold your nose, honey," I begged, opening the foul door.

"We're not going in there," she informed me.

"Sweetheart, you can't make me this hard, then not do anything about it," I reprimanded her. "That's being a tease."

"I'm not a tease," she said, smiling and lowering the straps of her dress. Her giant jugs bounded free, eliciting a gasp of wonder from the construction crew.

"I want everyone to see how much I love you," she declared touchingly, pulling the dress down to her ankles and kicking it to the side, where two plumbers got in a tug of war.

Dropping to her knees, Susan yanked my throbbing cock out of its confines. The

The circle of spectators inched closer and watched with awe as she clamped her jaws around my rod and sucked until her cheeks did a reverse Dizzy Gillespie.

circle of spectators inched closer and watched with awe as she clamped her jaws around my rod and sucked until her cheeks did a reverse Dizzy Gillespie. The combination of her always-excellent oral skills and the pride I felt seeing the green-with-envy faces around me pumped my cock to new lengths. I could barely keep from hosing Susan's tonsils down with a sacful of hot choad.

Susan also seemed more charged up than usual. She always gives good head, but now she was sucking my asshole up through my dick. Something was inspiring her, and from the saucy little wiggle in her ass as she gobbled my knob, I could see that it was the rapt audience. Susan was a closet exhibitionist! Well, I could show off too.

"Where do you want my prick next, baby?" I asked loudly.

"Ram it in my wet cunt," she panted, releasing my tool.

Turning her back to me, my wife propped her body up on the nail keg and offered her ripe bottom while I stripped down to nothing. The crowd *ooohed* as I separated her plump ass cheeks, revealing her twinkly bung and glistening snatch. Susan yelped in anticipation when my cock head touched her yawning cunt, and she impatiently thrust her hips back to swallow my prick whole with her ravenous pussy. I eagerly met her challenge, slamming my dick into her twat with such force that she was knocked right out of her heels.

"How does that feel?" I demanded, pumping relentlessly.

"Like a 2x4," she gasped out. "Like a pneumatic drill."

"Does it feel good?"

"Yes," she replied breathlessly. "But it would feel even better if you gave me *my* present now."

"Anything, honey," I replied, finding it hard to think with my dick sliding in and out of her dripping pussy.

"I've always wanted to be fucked by two cocks at once!" she announced.

Dumbstruck, I searched the faces around me. They had changed from jealous to smug, daring me to slap the bitch down. But I'd show them I was man enough to make my wife happy.

"Which one do you want?" I asked.

Of course, she pointed to the biggest, browniest bricklayer on the crew, who speedily dropped his drawers and aimed his monster at Susan's shiny bung. I got on my back, and while Susan rode my miraculously still erect cock, Steve straddled my legs, which were pressed together as tightly as possible to keep Steve's hairy

thighs from brushing against mine.

As I lay there, I thought about the little scolding I would have to give Susan when we got home—until I saw her face. When I saw her bulging eyes and thrilled expression as Steve plugged her asshole, I melted. It didn't hurt that every time Steve's cock pressed into her butthole, her pussy muscles clamped over my prick like a vise. She screamed out a terrifying orgasm and collapsed in a sweaty heap on my chest, never giving a backward glance at Steve, who politely shot his wad into a

Thermos. Susan's grateful smile told me I had done the right thing.

Now that Susan's been double-dicked once, she doesn't want to do it again. Her curiosity's been satisfied. All she wants is me—and as many spectators as possible. We are planning a very special picnic in the park next Sunday.

# The Grudge Fuck

## Sex With a Vengeance

by Alex Marvel

Restrictive attitudes in the name of so called morality increasingly take the fun out of fucking. Through good, old-fashioned homespun knowledge, hearsay, scientific facts and outright lies, this series strives to spread the word that rubbing uglies is a beautiful experience.

Paula is in the backseat of a black-window Chevrolet Monte Carlo Super Sport. Her shoulders are wedged into a corner, and her head, supported on the armrest, is pounding rhythmically into the juncture of seatback and door. A raging hard-on bangs away above her, power-torquing her pussy and wishboning her ankles up behind her head. Through a swirl of delirious pleasure, Paula notices the stiletto heels of her pumps knifing through the headliner of the dude's car. Paula reflects that she doesn't usually do this kind of thing.

The party had been interesting enough, if a little too mellow. Then Chad showed up. He came late, just when Paula was deciding she'd had enough stiff drinks and weak double entendres and would call it a night, alone, at home. Something about Chad's intense, brooding air of abstraction delayed her exit. His sullenness spoke to a dissatisfaction that she was too often aware of in herself, and she adroitly drew him into conversation. Their banter was easy and familiar. Their bodies tensed and flexed, one in response to the other.

When Paula said good night, Chad offered to walk her to her car, but steered her into the backseat of his instead. He hiked up her skirt, stripped off her panties and peeled down his trousers.

*Maybe I should do this kind of thing more often,* thinks Paula as Chad lifts her on the lever of his steel-straight rod and slams his flesh piston so fast, hard and deep into her cunt sleeve that the physical parts blur to their eyes. In fact, the entire universe of objective reality blurs into a wash of overpowering personal delight. One thought penetrates Paula's realm of pure sensation: *This guy is so turned-on by me!*

Actually, Chad is consumed by resentment and anger toward a particular woman who he feels has fucked him over. He has a grudge, and he's carrying a chip on his dick about it. Though his enjoyment of the automobile tryst is every bit as frenzied as Paula's is, he really is only half-conscious that she is there.

People have sex for all sorts of reasons. Fucking can be an expression of hostility as often as it is an exchange of affections. As anyone who has ever vented healthy anger

through vigorous erotic calisthenics will attest, not enough can be said in praise of a mean, pissed-off, balls-out, scratching-and-slapping fuck—provided, of course, that nobody gets hurt or feels a need to call in the police.

"The sex drive is one of our most primal urges," states sociologist Charles B. Brown. "The need to eat and sleep and the instinctual pull to find a warm place in which to defecate are, granted, essential to an organism's survival, but the sex drive gives meaning to life. Our libidinal pursuits define who we are and, to a large extent, what our purpose is on this planet. The sex act itself is among the most immediate and intimate forms of communication available to human beings. In its way, coitus is capable of delivering a message that is every bit as direct and succinct as a good punch to the face."

If two people are having sex, and the message from either one of them is "fuck you," then the couple is engaged in a grudge fuck.

The grudge fuck is easily divided into two basic classifications: direct and indirect. In the case of a direct grudge fuck, one of the partners in a couple, usually the male, takes out his annoyance with the other partner, usually the female, by boning her harder and nastier than is his usual wont.

The indirect grudge fuck is practiced with equal aplomb by males and females. The indirect grudge fuck involves putting a bad spin on a ball with a third party in order to work off evil feelings toward a second party. An explanatory equation might be helpful: In the course of an indirect grudge fuck, Individual A straps it on with Individual C as a means for Individual A to get back at Individual B, but neither Individual B nor C necessarily has any awareness that the other exists.

The primary difference between the two categories of grudge fuck is that the direct grudge fuck is finished at the moment of orgasm. The indirect grudge fuck, however, is commonly only just beginning once the splooge flies. The intention of many indirect grudge fuckers is to somehow relay the news of erotic betrayal back to the object of dissatisfaction. In short, if Individual A has sex with Individual C in order to degrade the importance of Individual B, then Individual A will not consider the indirect grudge fuck with Individual C a success until Individual B knows all about it, and weeps accordingly.

An example of the direct grudge fuck: After working a double graveyard shift, Chad wakes up to find that his old lady, Bernadette, borrowed his Monte Carlo Super Sport without permission, and brought it back with a cigarette burn in the driver's seat. Bernadette attempts to appease Chad by licking his balls, but her actions only inflame him further. Chad flings Bernadette onto the bed. He tears off her clothes as she lies sprawled and defenseless on her back. He lifts her legs and spansks her ass; he whips her panicked face with his fighting-hard, spitting-mad prick. He jams his punishing rod into her inexplicably sopping hole and reams her mercilessly, tirelessly, endlessly. He stuffs her until she convinces him that she can't take any-

more, not one more seething thrust can she withstand, then he stuffs her some more. After she's been screwed into submission, he pulls his mean muscle from her pussy, and it hawks choad all over her face. He feels better about the hole in his upholstery, and Bernadette, properly chastened, notes that any time she wants to put some extra

gas in the old boy's tank, all she has to do is flick some cig ash on his bucket seats.

An example of the indirect grudge fuck: Bernadette feels that Chad is paying insufficient attention to her. Bernadette fucks all of his friends, who become the happy recipients of indirect grudge fucks. Chad notices something new about Bernadette. He can't tell what it is that he notices; so he begins to pay more attention to her. If she's lucky, by engaging in indirect grudge fucks Bernadette will get exactly what she wants: a direct grudge fuck from Chad.

"The grudge fuck can come as close as anything does to being a perfectly equitable expenditure of energy," proclaims relationship counselor Jerry Riggins. "On the other hand, the pleasure of a grudge fuck can be confined entirely to the party who is bearing the grudge."

For instance, at some point down the line in their time together, Bernadette may decide that Chad's habit of failing to clean food particles off the bathroom mirror after he has flossed his teeth renders him unfit for cohabitation. Discussing the flecked-mirror issue, she senses, would be futile. Intuitively, she takes her revenge in the bedroom.

To exact her vengeance, Bernadette will initiate love play with Chad. She will tease and tantalize him, employing all of her feminine attractions and wiles to work Chad into a testosterone froth. Chad, as any man in his position would do, takes the bait with gusto. He chomps at the bit to sink his expertly aroused throbber into the soothing sugar stew between Bernadette's supple thighs. She opens enthusiastically and invites the rigid antenna of his soul in with amplified ardor. She urges him to hold nothing back, to let go and give himself fully to plowing her precious mine. She spurs him on to a height of passion that transcends all rationale or logic. He crosses over, beyond the dimension of lust, into the territory of love.

Bernadette abruptly flattens her affect. Suddenly, she lies still. Her eyes become distracted. Clearly, she is a million miles away from the humping husk of Chad. God knows what she is thinking about, but it's not him. He senses that, in the blink of an eye, she has gone entirely numb below the waist. "I really don't think those curtains are the right color for

this room," she will say, and all the joy will drain from Chad. As his penis wilts, Bernadette swells with a selfish gratification that she does nothing to keep secret from Chad.

In retaliation, a week or two later, Chad pretends to make amends with Bernadette. He feigns a sensitivity to her needs that he has seldom displayed previously. The foreplay is fantastic. Bernadette is raring to go. Her quim and the entire nervous system that it services are putty in Chad's hands and lips. He enters her with a reverence that bespeaks his devotion to her. She is overwhelmed by the depths of Chad's feelings for her. She soars toward a climactic crescendo that promises to rank as one of the pivotal experiences of her life.

Chad makes himself come just before Bernadette reaches orgasm. He leaves her hanging there, refusing even to wiggle a finger for her, though a wiggled finger is all she needs to push her cascading over the brink of ecstasy. The couple has embarked upon a course of dueling grudge fucks.

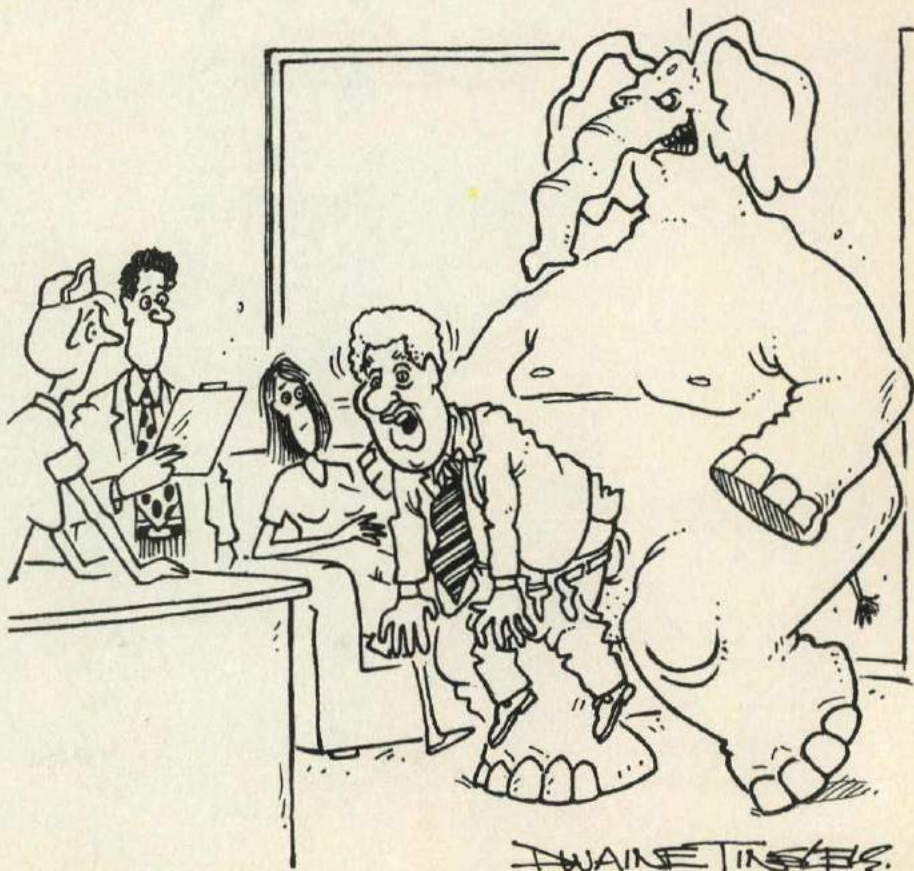

"An individual easily can—and many do—develop a grudge against an entire gender," observes counselor Riggins, "which often, with men in particular, has the surprising effect of adding great zest to the grudge holder's sex life."

"I was never much of a success with the ladies," testifies clerical worker Troy Helenick, "until I got to where I just didn't like them any-

more. Now I don't care if I hurt a woman's feelings or not. I'm much more brash when meeting them. I've given up being self-effacing in their presence, and I'm up-front about considering them good for a hard toss and not much else. Women are intuitive; they realize that I'm just out for a bang. I was amazed to discover how many of them are out for exactly the same thing."

Conversely, women also, for whatever twisted, self-serving, illogical, fantasy-based reasons, are susceptible to conducting a prolonged feud against the entire opposite sex. These grudge-holding women are variously known, feared and revered as pricktasters, ballbusters, heartbreakers, femme fatales—the list goes on. The most startling characteristic of ladies who love to lacerate men through sexuality is the ease and frequency with which they draw willing victims into their nefarious webs. The world is littered with men whose testicular identity has been corroded and seared by the acidic pussy-spite of a rancorous sweetheart.

However, the fallout can just as easily be positive. Paula, of the Monte Carlo Super Sport backseat, heartily recommends the grudge fuck. "I've been with Chad ever since the night we met at the party," boasts Paula, "and our passion hasn't diminished from that first time in the car. There's always something Chad can get angry about, and as long as he continues to work out his aggression in my coochie, where's the harm?"

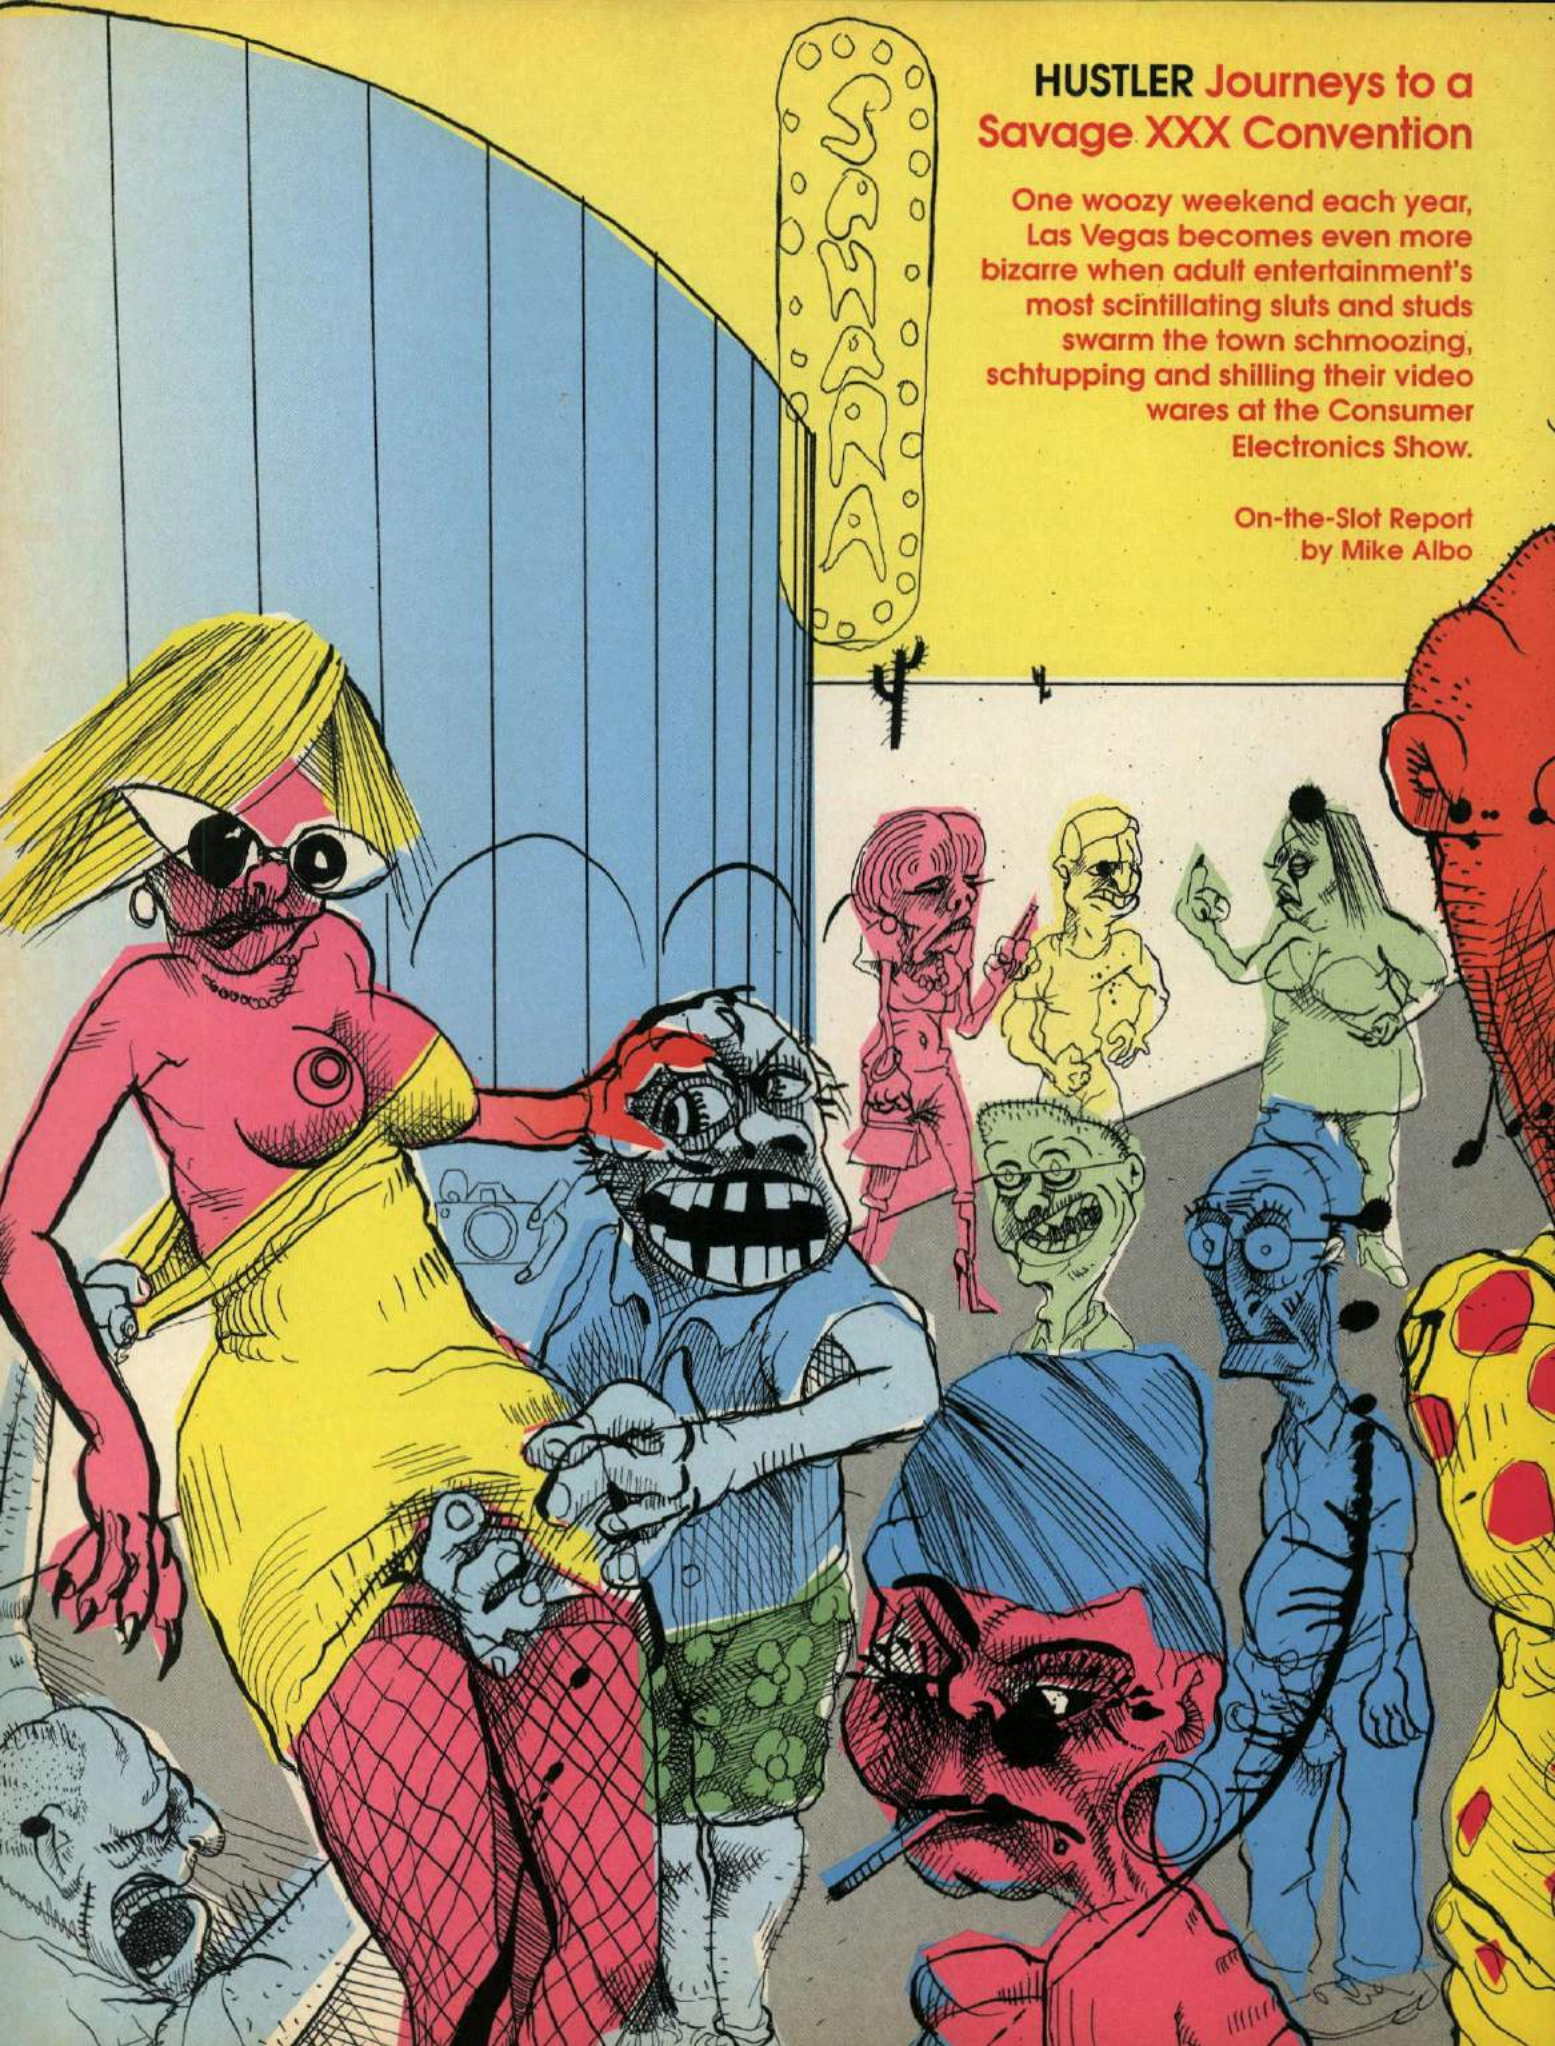

"Can you unplug us? We've been like this since the November elections...."

## HUSTLER Journeys to a Savage XXX Convention

One woozy weekend each year,  
Las Vegas becomes even more  
bizarre when adult entertainment's  
most scintillating sluts and studs  
swarm the town schmoozing,  
schtupping and shilling their video  
wares at the Consumer  
Electronics Show.

# LIEERS AND BONTING IN LAS VEGAS

# Vegas

These busters are not here to relax. They're on a mission: They want to get laid by an actual porn star. God help us all if one of them is rebuffed.

For four frenetic days each January, XXX-video stars and starmakers descend on Las Vegas, Nevada, to peddle their product at a primarily straitlaced trade convention known as the Consumer Electronics Show. *HUSTLER* *EROTIC VIDEO GUIDE* Editor Mike Albo got a deep-inside look at 1995's cooze-slanted portion of the conventioning.

## Preliminary Notes, Baker, California

I'm not sure I want to make this trip.

The destination of this drive up Interstate 15 is Las Vegas, Nevada—the city that hangs its soul on its face. No ups and no extras, mister—you paid for the ticket, and now you're taking the ride to the end of the line, where no apologies are ever offered and no quarter ever given to those too easily swayed by excesses of the body and the brain. The puny and weak need not apply.

Witness the Asian high rollers burning red envelopes stuffed with crisp one-hundred-dollar bills as religious offerings at the tiny Buddhist altar in front of Caesars Palace. A family from Elk Gonad, Wyoming, pushes a rusting '62 Country Squire station wagon filled with broken furniture and blankets to the curb, where they ask passersby for spare change to feed the kids. As the residents

of Vegas don't mind telling you while they gamble away the weekly grocery budget at a bank of slot machines located conveniently at the entrance of every supermarket in town, if you have a problem with the Vegas style, *Fuck off!*

Las Vegas is not afraid of being honest. Brutally honest. You've got to be tough to make it here, pally-boy. While not proud of the fact that the teen suicide rate for the greater Las Vegas area is nearly twice the national average, the PR people point out the multitude of service jobs available to the marginally skilled workers produced each year by the local schools.

"Our kids are going to have to *want* to work if they expect to get rich around here. We don't believe in coddling our kids like they do in L.A.," is how one boozed-up Rotarian explained it to me on a quiet, pre-dawn Monday at the Reef Bar in the Rio Hotel last year, as he absent-mindedly rubbed a gnarled and calloused hand over the inner thigh of his companion—a girl who claimed to be 26, but who, when asked her year of birth by the smirking bartender, blurted out "1980" before the old man could clamp a claw over her jaw. Apparently, the groping grandpa failed to realize that in this town, if you're spending a lot of money, you

are generally left to your own devices no matter how...well, *eclectic* they might be.

The only effective coping strategy for the next four days will be to put on shades, try not to stare and maintain maximum sub-lethal quantities of booze, central-nervous-system stimulants and antidepressants.

## Dinner With a Porn Chick

I'm road-weary after the five-hour drive, but I need to pull myself together. I'm meeting Italo-American porn goddess Chantilly Lace for dinner.

We choose an Italian restaurant featuring the worst service ever witnessed in this century. It gets so bad that when the wine captain passes the table with a fully loaded tip tray, I reach over and pull a twenty-dollar bill off the stack, leaving the slacker with the princely sum of three dollars and change. He turns rabid, but since our arrival, I've consumed six vodka-and-tonics and have had nothing to eat. I don't realize the potentially dangerous situation developing, preferring to stare at Chantilly's breasts. Being a smart girl, Chantilly chooses this moment to remove her overcoat. When the curvy package that has been so prominently displayed in such Pleasure Productions whack-fests as *Strap-On Sally, Volumes 1 to 3* and *Anal Woman, Volumes 1 to 3* is revealed, barely encased in a red-velvet catsuit, the goonlike waiters settle down. There can be such a thing as too much service. One eager water boy tells Ms. Lace that he recognizes her from a movie "I saw on cable TV." She smiles as he stammers on about how he should go about getting into "the porn game." I get bored, toss him a \$5 chip from the casino and tell him that there is a current glut on studs, but there is one option always open to fine lads such as he. "Would you consider doing gay porn?" I ask him.

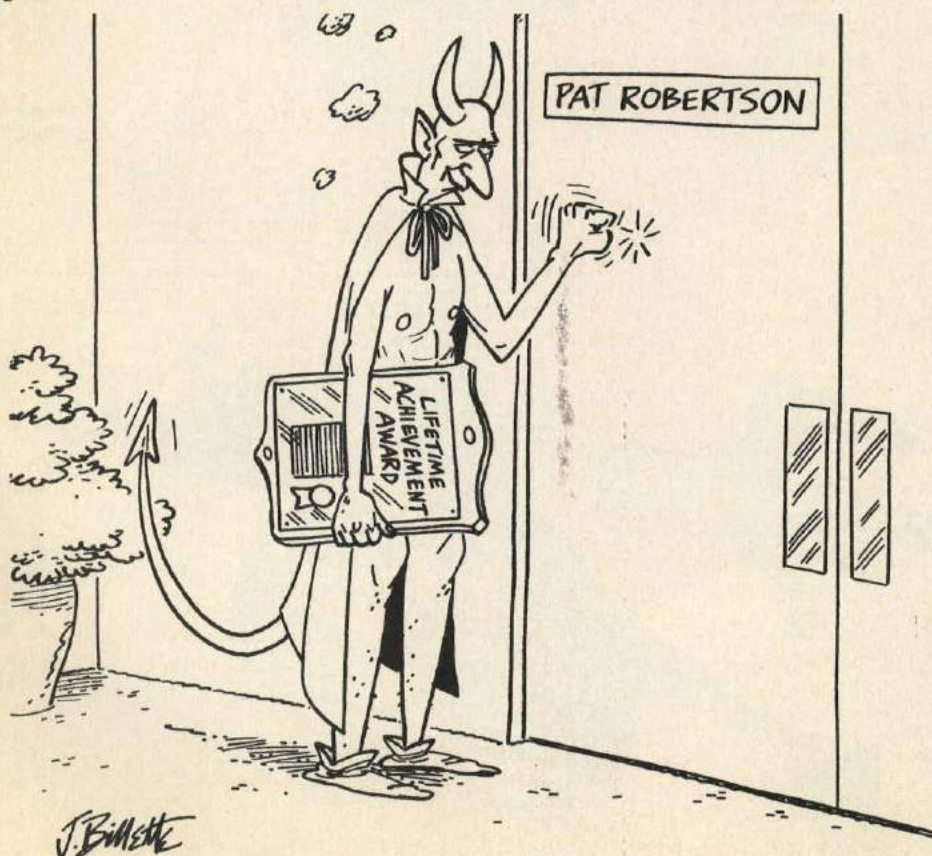

A slight flicker of possibility registers behind his eyes, and with that Chantilly and I leave for Bally's.

## Abandon All Hope, Ye Who Cross This Threshold

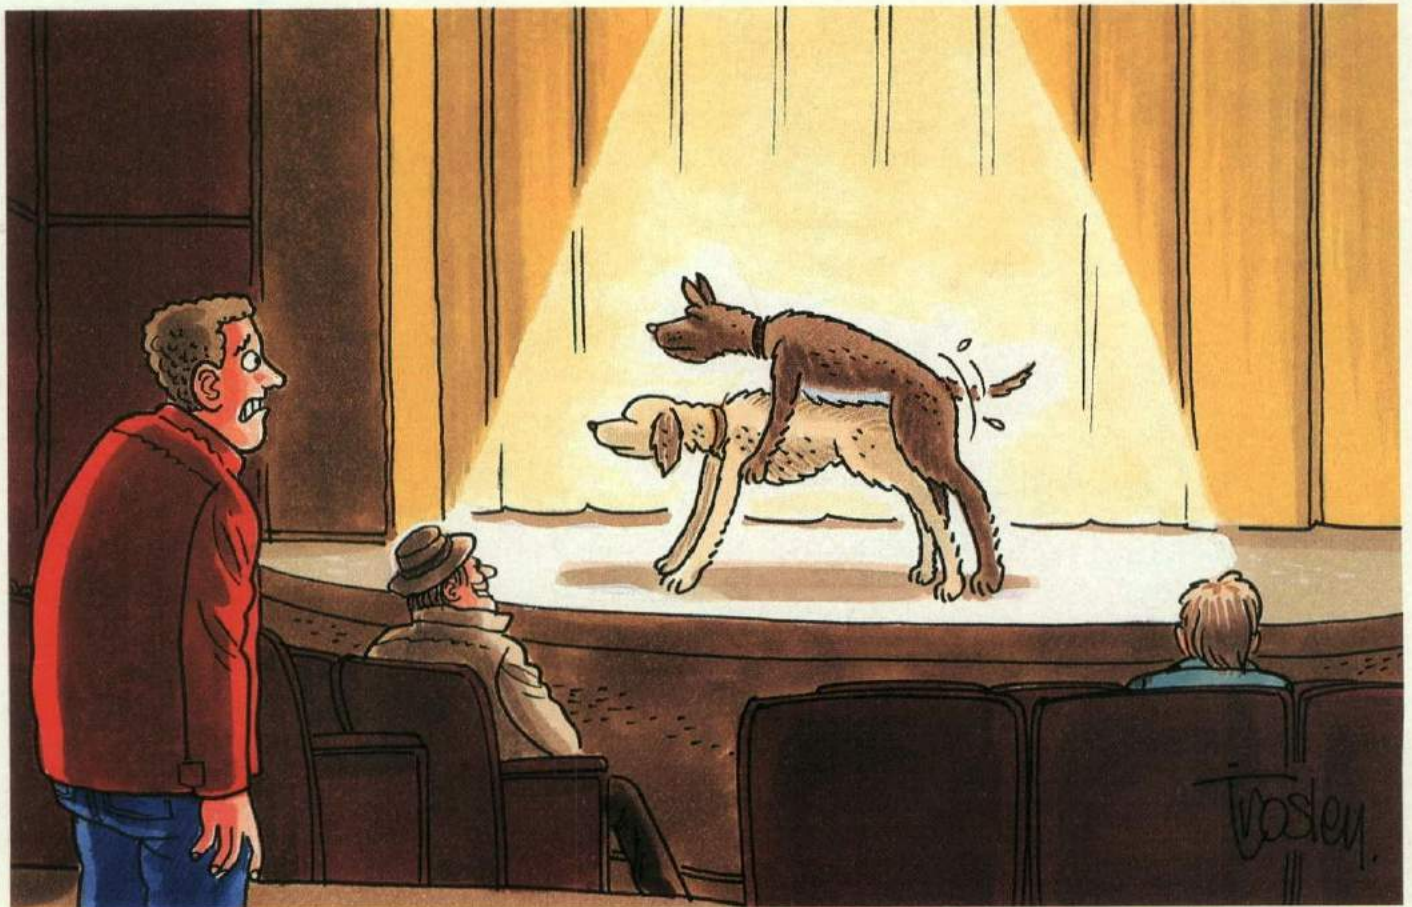

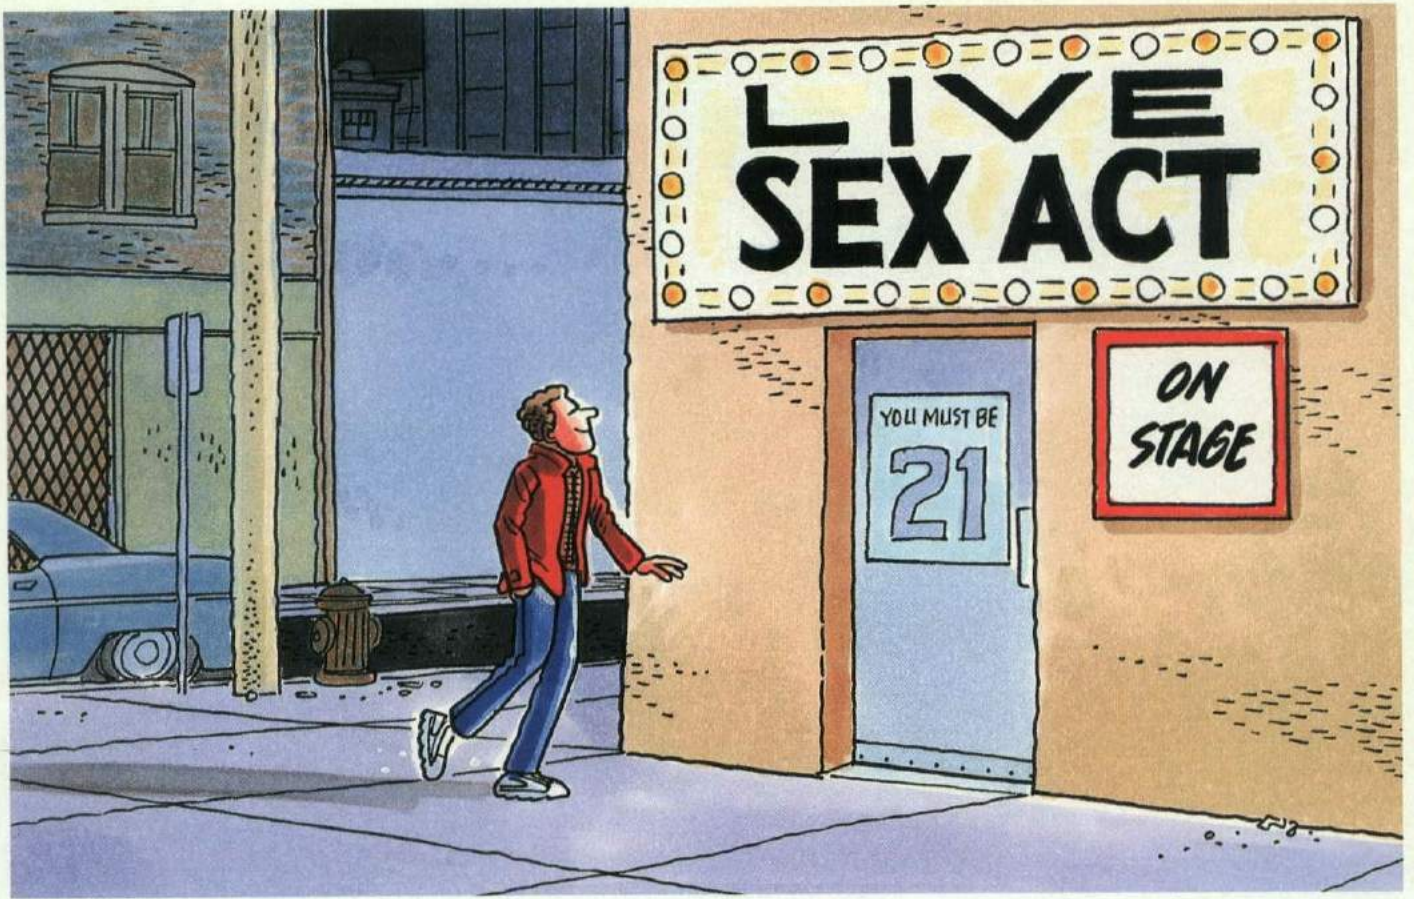

As always, Bally's Panda Lounge is the place to be after dark. The Panda is where the stars, the producers, the press and the porn fans congregate. Passing milquetoasts stare at the blatantly tasteless behavior and whip out their Instamatics to capture for the folks back home a particularly special Kodak moment.

Porn fans are easy to spot. They're the guys—loner-types for the most part—

A photograph of a woman in a shower, looking up with her mouth open as a penis is inserted into her mouth. The scene is wet and steamy, with water droplets visible on her skin. The background is a tiled wall. The text "A Sprinkle a Day" is overlaid in the bottom left corner.

Sprinkle

Even in the middle of a severe water shortage, Tony and Amanda find a way to conserve the precious fluid and still get spanking clean.

Tony quickly swabs Amanda's hard-to-reach places; Amanda rapidly works Tony into a lather. They rinse off, reach for a towel and...OOPS! Tony always forgets the conditioner until the last minute.

with the hunched shoulders and poor social skills peculiar to mentally disordered sex offenders and those miscreants classified by law-enforcement agencies as possessing a high potential for assassination attempts on politicians and celebrities. They don't mingle, these guys, but stalk the perimeters of the crowd, looking away nervously whenever they lock eyes with the women known to them intimately through long hours with only porn magazines and videos for companions. "It's her!" those terror-filled eyes seem to say. "I've jacked off to her a bunch of times." These guys plan their trips down to the smallest detail. Their hotel-room walls are papered in hastily tacked strategy charts, floor plans of various casinos and road maps marked with alternate routes out of town. These busters are not here to relax. They're on a mission: They want to get laid by an actual porn star. God help us all if one of them is rebuffed.

One of these individuals is asked by a novice member of the press which girl would be his number-one draft pick for the Sexual Superbowl highlights show that has been running non-stop behind his eyes since he crossed the city limits. Starting each sentence with a nervous tic that tugs the corner of his

mouth, he breaks into a grin. "It don't matter to me, really. Hell, I'd fuck one of the real ugly ones like Cumisha Amado if I had the chance. I'd do it twice." Throwing back his head, Young Achilles lets loose with a horrifying whoop. About an hour later, his behavior seems to indicate more than just eccentricity. He can be seen passing out his business cards, on which the title "Maintenance Engineer" has been crossed out and replaced with "Casting Director—Adult Videos." This guy, who apparently combs his hair with buttered toast, is one of the smoothest operators in the swamp, at all times hanging at least one drunken teenybopper from his arm.

It's like this all over town, all night long. Every female in the vicinity of Bally's under the age of 89 and free of visible congenital birth defects is liable to be fondled, groped and grabbed by some low-rent Romeo.

## Intimations of Violence

As the clock approaches midnight Friday, the crowd begins to thin out. Tomorrow's the annual self-congratulatory awards ceremony hosted by another West Coast publication. It's been a long day, and everybody needs that all-impor-

tant beauty sleep—or another dose of whatever it is that makes some of the celebrants so peppy.

I stumble to the bar, where I end up debating the artistic merits of Blue Cheer versus Iron Butterfly with a 20-year-old retro hippie-chick "nail stylist" from the greater Tampa, Florida, area who doesn't make much sense, but who has a great pair of big, fake boobies. After fighting all evening with her boyfriend, she has apparently decided to exact her revenge by screwing the ugliest-looking guy in the bar, who, as luck would have it, is me. Exit stage left.

A word to the wise: When you have collapsed into a sweaty heap after being whiplash-fucked by a slutty little airhead from the Deep South who has told you every intimate detail of her stormy affair with her violent, alcoholic boyfriend, realize that she just wants to tell somebody what she's had to endure in her short life. When she asks, "Why isn't anything working out for me anymore?" remember it's a rhetorical question. Never, under any circumstance, push her head down toward your crotch and say, "You'd be a lot easier to take if you sucked more and talked less."

A tussle erupts in the wee hours back in Bally's tomblike Panda Lounge, where I sit holding a napkin dripping with a load of melting ice against the side of my head after taking a full-force blow from a portable hair dryer. I just want to lie down. As I leave, I notice two huge fratboy types raining blows upon a crumpled figure who is curled up like an armadillo to protect his head and vital organs. Better him than me.

At breakfast the next afternoon, I run into an acquaintance from another publication who asks, "Did you see the fight?" He proceeds to tell the tale of porn wanna-be-tough guy and semi-pro Golden Gloves contender Buck Adams having a disagreement with Rebecca Wild. Two large gentlemen at the bar were not the type to stand by and let some Hollywood porn goof berate a little lady. So they did the chivalrous thing: They beat the shit out of Buck Adams, who in the course of things had some of his dental work loosened from its moorings.

Buck seems reserved the rest of the weekend, and one female porn star is overheard to say, "His spirit's been broken." Poor Buck.

# Sasha: Hair Piece

Photography by Matti Klatt

"I never got my hair cut when I was growing up," reveals Honduran native Sasha. "By the time I turned 18, it hung down to here."

The brown-eyed beauty slices a hand across her bottom.

"All I ever heard was 'What gorgeous hair,' and 'Oooh, don't ever cut your hair.' No one could see past my stupid mane!

"So I chopped it off," Sasha says proudly, running her fingers through her dark thatch. "But despite the fears of my very traditional parents, I'm not lacking for suitors. After all, it's what's inside a girl that counts."

into a series of rapid-fire prizes for things such as Best Video Cover Concept, blue-screen strumpet Nikki Sinn announces that Guns n' Roses are hosting a party. Nikki, silicone-bloated HUSTLER EROTIC VIDEO GUIDE columnist Wally Wharton and I blow the ballroom at Bally's and head over to the Rio.

Neither Axl nor Cousin Itt Slash is anywhere to be seen. But Matt the Drummer is there with his very own entourage, which apparently has only two requirements for membership: toady obedience to every one of Matt's commands and clear evidence of being heterosexually challenged.

To say it is a letdown would be an understatement. Somehow, I had been under the delusion that big-time rock stars hosted parties where the punch bowls overflowed with a selection of Peruvian Flake or China White, and where brain-dead groupies fucked themselves, their rock idols and anything else in the confines of the room until nobody could move a muscle. From the looks of this crowd, after a few more white-wine spritzers the boys will take off in search of exotic, esoteric and groovy kicks at Siegfried and Roy's wild-animal compound.

The girls at the party, who include a shuttle van filled to the ceiling with hard-

looking, sun-dried, windburned Vegas "showgirls," are visibly disappointed. As one of the strippers, whose face shows each of the tough, 50-odd years she's been on this planet, says in a raspy twang, "It ain't like the days when Gary Lewis and the Playboys'd roll into town. Now that was music...and they liked girls!"

## A Long, Queasy Drive Back Home

One never realizes just how shattering blue the desert sky can be until the first rays of light arc over the horizon, stab through sunglasses and corneas and hit the back of the brain with incredible force. Sunday morning alcoholic withdrawals are the worst.

The coffee shop at the Frontier is almost empty except for a few other stragglers. In the next booth is a textbook example of white-trash womanhood. Looking like an updated version of Jane Darwell in *The Grapes of Wrath*, she lacks that certain poor-but-proud nobility the amateur cultural anthropologist likes to find in his casual observations. This is probably because of the grease that smears her lips and fingers, and the animal noises she makes when she swallows her deep-fried chicken. At the same time, she is smoking a Marlboro and slugging down some sort of tropical drink that has

an umbrella and pieces of pineapple and cherries speared on a plastic skewer poking out of the top. How nice. The drink sort of matches her muumuu. I watch in fascination until the ventilation in the restaurant shifts and blows the undiluted essence of chicken, cooking grease, cigarette smoke and cheap, fruity perfume back into a head-on collision with my olfactory system. I bolt before I spew the remains of yesterday's booze intake all over the booth.

I make one last cruise through the Sahara casino to give out complimentary copies of HUSTLER EROTIC VIDEO GUIDE. Suddenly the crowd utters a collective gasp, and people are pushing and shoving. The center of this knot of bodies contains the presence of explosive violence. The hotel's security force pushes through the crowd. When they see that the house money is not being scammed away, they let what appears to be a typical barroom brawl continue. The crowd is taunting an innocent bystander who has accidentally caught a stray punch above the left eye to "get your pussy-ass up!" It's a tough room.

I see Tony Tedeschi and ask him what's happening. "Bar fight," he says. "Biff Malibu and Chuck Zane," he adds as he climbs a stool to get a better view. I watch as he slips deep into the circle of the curious. He stumbles out a few minutes later with an update, muttering something about "argument," "bar tab" and "ass kicked." That's my cue to leave this town.

As I'm getting on my truck, I hear a woman call my name. I turn to see a very hot, very married porn ginch dragging a stuffed suitcase and crying that she needs a ride home. I'm nothing if not friendly. I load her luggage and her tight little ass into the truck, and we head back down the I-15 toward L.A.

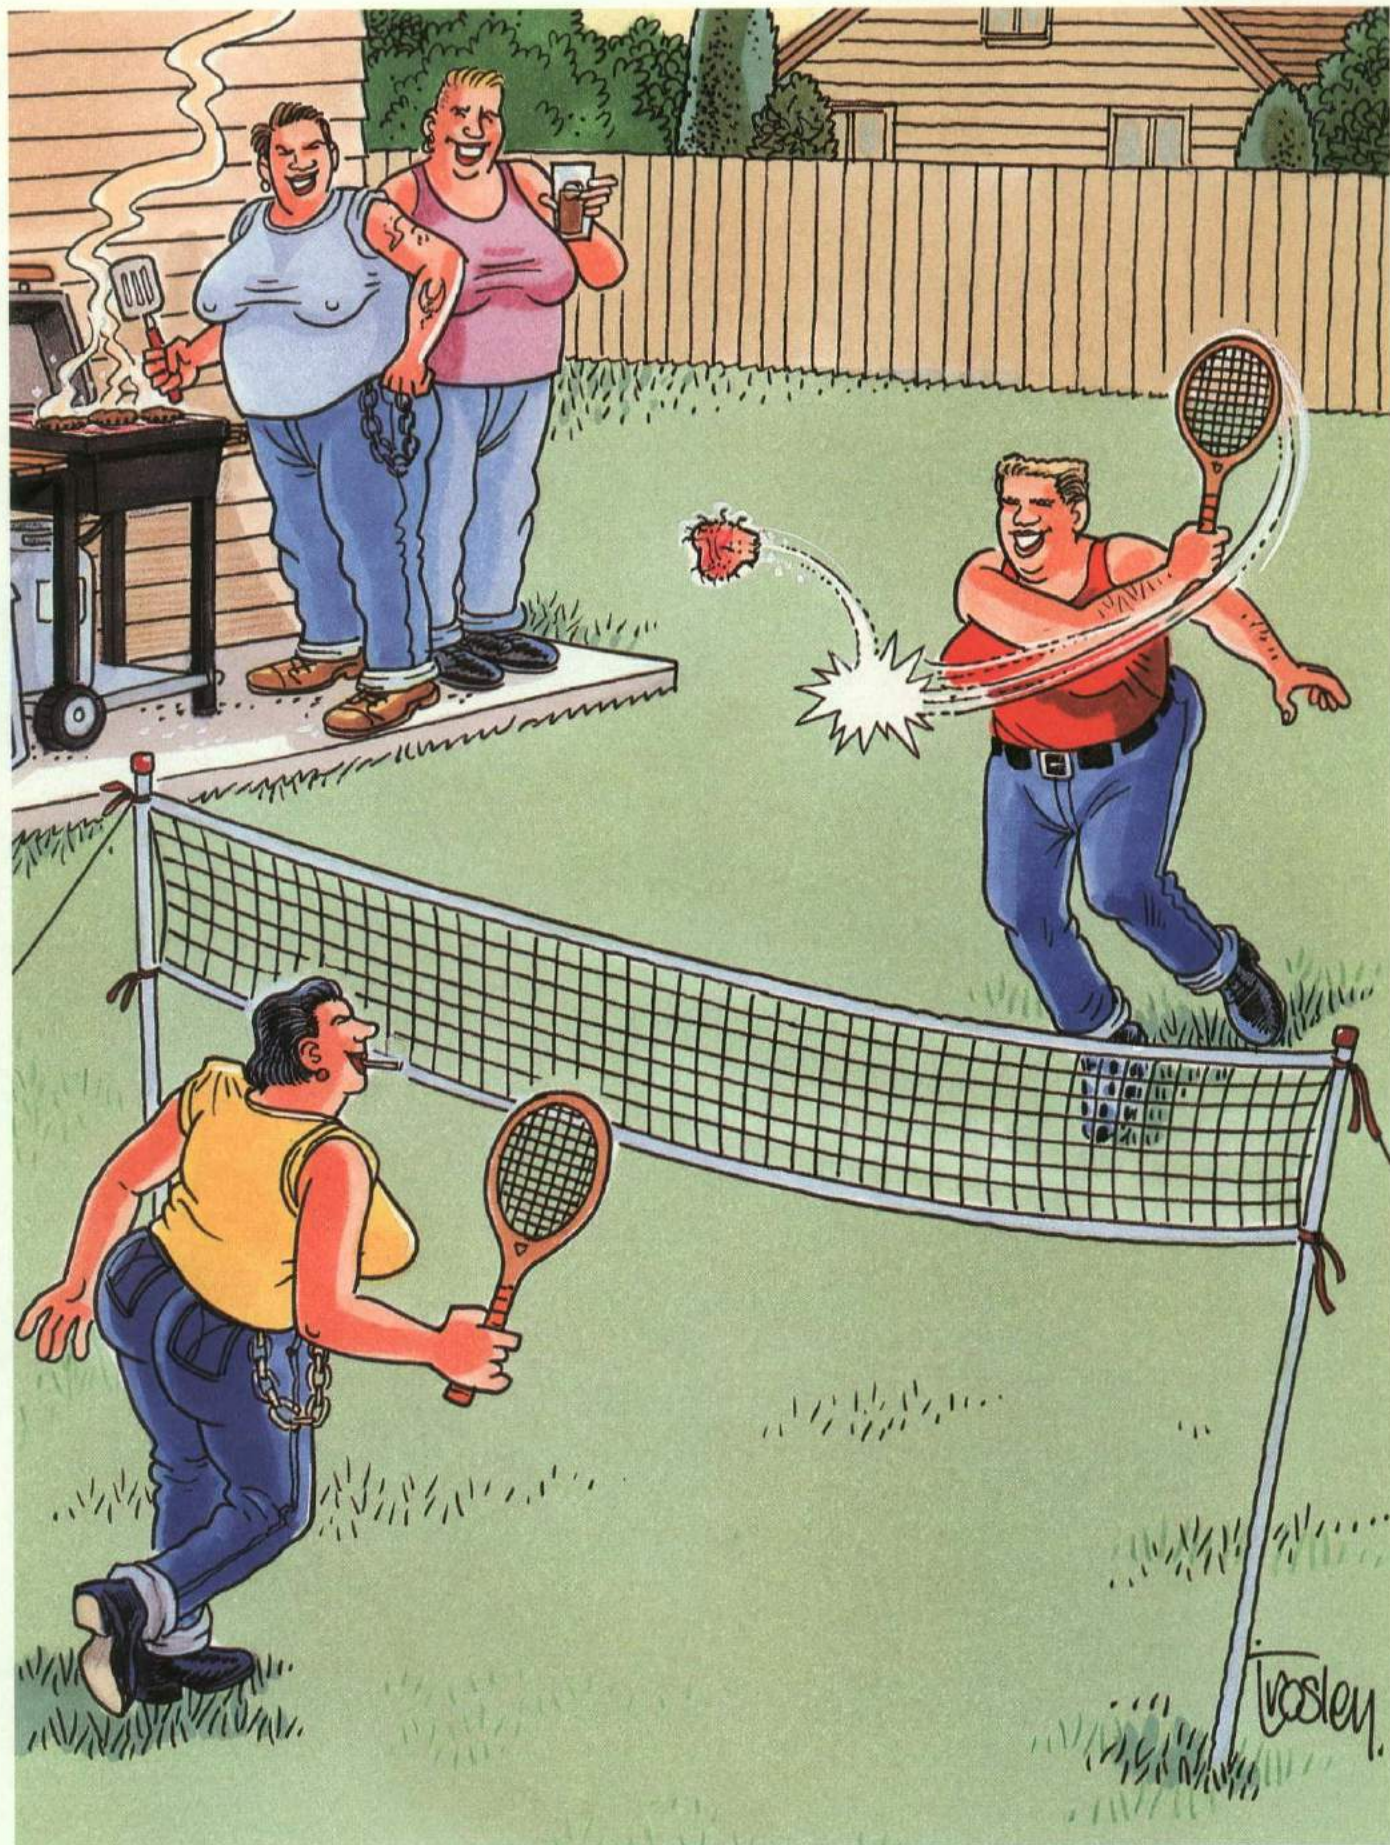

There is something to be said for that old adage about being in the right place at the right time. In this case, the right place and right time are the Bun Boy motel and restaurant compound sometime in the late afternoon.

All of the things that fictionalized accounts of the jizz business claim to occur with regularity, but which I have never witnessed, unfold on a bed that features a rattling vibrator activated by a quarter dropped in a slot. Between the slot on the bed and the slot....

Needless to say, I am now a confirmed believer in the existence of God. And if he doesn't exist, whoever or whatever energy source is responsible for my good fortune, THANK YOU!!! God, I love porn! ☺

## THE BRUISING UPS AND CRUSHING DOWNS OF THE ULTIMATE FIGHTING CHAMPIONSHIPS

REPORT AND PHOTOGRAPHY BY SESSEL SAGORIN

WITH NO RULES, NO TIME LIMIT AND NO WAY OUT, THE NO-HOLDS-BARRED  
SLUGFESTS AT THE ULTIMATE FIGHTING CHAMPIONSHIPS CAN'T BE BEAT.

# Fighters

Hackney swiftly straddles Yarbrough. Fifteen years of accumulated martial-arts training back the black belt's killer fists, concentrated solely on destroying the object in front of them—Yarbrough's head.

"The Ultimate Fighting Championships is the most disgusting, horrifying thing that I have seen. It's basically cockfighting in human form."

—Denver, Colorado, sports columnist Wally Paige

There are no rules, no rounds, no time-limit and no way out at the Ultimate Fighting Championships (UFC). Combatants either destroy their opponents or are destroyed—painfully, with maximum force. A fallen slugger at the UFC stays down because he's unconscious, waiting for the medics to bring him around, or because his adversary is still on top of him, beating him bloody. If he can experience any sensation at all, it's total, overwhelming pain.

Asked how long he has been training for the UFC, 28-year-old Royce Gracie replies, "28 years." Opponents have got only one chance to take out Gracie, winner of the first two UFC contests. If they're still standing after that first punch or kick, it's too late—Gracie's on them like a Rwandan refugee attacking a crust of bread. It would be easier to figure out Rubik's Cube than decipher the lightning-quick wrestling holds Gracie unleashes before finally, mercifully, administering the final choke that

sends his victims into dreamland.

Six foot tall, UFC veteran Ken Shamrock's finely chiselled features and short, slicked-back hair give him the appearance of an L.A. lightweight. No one is going to tell him that to his face. With a 14-0 (ten by KO) record in three pugilist contests, the Japanese-trained shootfighter knows several ways to annihilate an opponent, and they've all got one thing in common—pain.

"Lots of fighting tournaments say they're looking for real fighters, but they'll hamstring the contestants with so many rules and regulations, it's laughable," states Shamrock. "The UFC is the only contest that really gives fighters a chance to demonstrate their true ability."

"Balls-out brawling requires a completely different mentality than competing in a tournament with rules and restrictions," attests 230-pound, former world heavyweight jiu-jitsu champion Harold Howard, through a mouth of missing teeth. "In the UFC, you find out fast how many of the guys are for real."

Created specifically to air on pay-per-view by Semaphore Entertainment Group (the New York production company responsible for *Connors vs. Navratilova*, *Battle of Champions* and *David Hasselhoff & His Baywatch Friends*), the

UFC is strictly an elimination contest. Matches take place in an octagonal enclosure fenced in with chain link. Each bout runs until a fighter is either knocked senseless or concedes defeat. Punches, kicks, head butts and choke holds are permitted. Officially, there is no limit to the amount of agony fighters can inflict on their opponents. The winner of each round proceeds to the next until only one man is left standing.

Whoever came up with the saying "man mountain" must have had 6-8, 616-pound sumo wrestler Emmanuel Yarbrough in mind. Yarbrough bench presses 505 pounds and biceps curls 225. If he were Mount Everest, Sir Edmund Hillary would still be trying to climb him.

With a pedigree that includes the runner-up spot in the 1992 World Sumo Championship and a bronze medal in the previous year's USA Judo Nationals, many would think no fighter stood a chance against this wall of human steel.

"He's such a nice man. I hope he doesn't get too badly hurt," worries Mary Corigliano, the UFC's public-relations officer, as Yarbrough enters the ring.

The UFC has no weight classes. Mary was present at the first UFC competition, in which another sumo wrestler—weighing only 410 pounds—had been brutally dispatched in 26 seconds by a well-aimed kick from a fighter half his size.

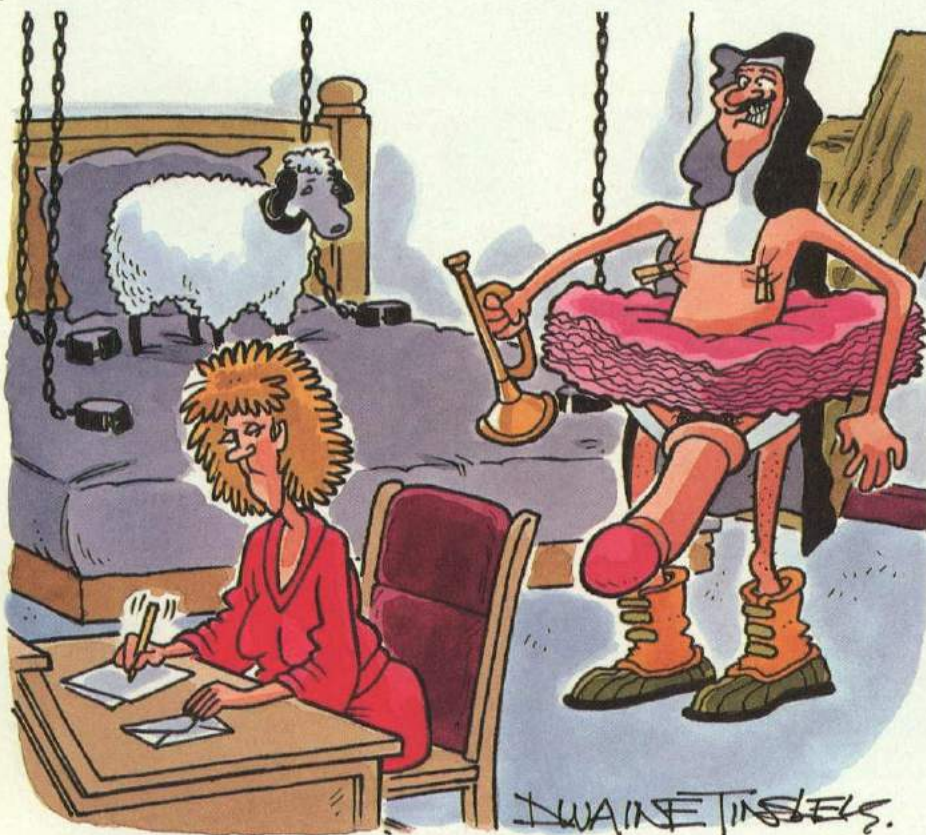

Yarbrough and his opponent, a second-Dan black belt in Kenpo karate named Keith Hackney, circle one another warily. Lunging forward, the sumo expert knocks the 200-pound, 5-11 Hackney backward. Nimbly, Hackney leaps from the mat, landing several quick, hard blows to the fat man's head before tripping him to the canvas. Resembling a midget mounting an elephant, Hackney swiftly straddles Yarbrough. Fifteen years of accumulated martial-arts training back the black belt's killer fists, concentrated solely on destroying the object in front of them—Yarbrough's head.

If it were a TV wrestling match—or a Steven Seagal movie—the sumo giant would have rolled to his feet and given Hackney a taste of his own medicine. The UFC is real life. Yarbrough is quickly rendered senseless. The ref stops the bout.

Dissecting the replay on a TV monitor at the after-fight party, a spectator wonders out loud why the titanic Yarbrough didn't simply get up.

"Because I was pounding him," replies Hackney, who broke his hand against

"I win!" gloats Ashley, dismounting. "I knew I'd beat him here. Now, should I wait, or should I ride back, spin around him and make him crazy?"

Ashley ponders the possibilities, a sly grin creeping across her face.

"I won't tease him," she decides, relenting. "I'll just make him ride behind for the rest of the day."

"You get to pick your eternal torment," the evil spirit revealed. "Follow me, and I'll show you your options."

First, the demon led Dave to a man who was being rolled naked across a sea of broken glass.

"That's too much," Dave winced. "What else have you got?"

Next, Dave saw some unfortunate soul hung by his thumbs, with jumper cables clamped to his balls. Dave passed on that fate as well.

Finally, the demon escorted Dave to a room full of men and women drinking coffee as they stood neck-deep in human shit.

"That's gross," Dave reasoned, "but it's not as bad as the other tortures. Besides, if I hold the coffee up to my nose, maybe the feces smell won't be too bad."

Dave agreed to this punishment, grabbed a cup of java, slogged through the waste and settled in.

A mere moment later, Satan himself charged into the chamber, shouting: "Okay, everybody, coffee break is over! Back on your heads!"

"That's right," Ross shot back, "and I'll bet you 50 bucks you've got hemorrhoids."

Triumphant, the admiral dropped his drawers and bent over. Ross responded by ramming a long, wooden object deep into his superior's anus, then running away.

The enraged admiral called the craft's captain immediately to report what had happened.

"That son of a bitch," the skipper huffed. "Ross bet me \$500 that he could get a broomhandle up your butt!"

"Well, okay," Ray conceded, too hungry to leave, "but, please, forget about the hot dog!"

"The therapist said, 'I still think you were either abused or beaten as a child.' I started to cry and said, 'I think I was raped by my father.' I thought I'd never get out of there if I didn't say it."

In July 1988, Paul Ingram, a police officer from Olympia, Washington, was accused of having sexually abused his adult daughter, Erikka, when she was a child. Confronted by investigators, Ingram denied the allegations, assuring colleagues that he was unaware of having ever done anything that could even be mistaken for molestation.

Investigators persisted, explaining that Erikka's repressed memories of the events had surfaced while she was under the care of a psychiatrist. Ingram himself began to be swayed.

"If it really happened, we have to take care of it," he finally told his fellow officers. "Perhaps I have a dark side I am not aware of."

Eventually, Ingram made a full confession. He said that after poker games, he and his buddies had sex not only with adolescent Erikka, but also with her sister, Julie, who was four years younger. He admitted to molesting the girls while sacrificing black cats, and recalled a figure in a red robe ("Maybe it was the devil") standing next to the fireplace. Finally, he confessed that between 1982 and 1984 he had brutally murdered 40 prostitutes, victims of the infamous "Green River" serial killer, in Washington and Oregon.

At his trial, Ingram retracted his confession, claiming that he had been induced to recall events that had never happened. Expert witness Richard Ofshe, a professor of social psychology at the University of California at Berkeley, agreed. He diagnosed Ingram as a weak, easily influenced man, and suggested that the persecutory atmosphere in Olympia at the time of the investigation had contributed to Ingram's confession.

Ignoring Ingram's statements concerning the murders of the prostitutes—with new victims added to the Green River tally as recently as 1993, the accused had clearly not committed these well-publicized murders—the district attorney tried Ingram for the molestation and rape of daughters Erikka and Julie. In April 1990, based on Erikka's unsubstantiated memories and his own dubious confession, Paul Ingram was convicted and sentenced to serve 20 years in prison.

Paul Ingram is one of tens of thousands of Americans who have had their lives shattered over the past ten years by a controversial therapeutic technique known as *recovered-memory therapy*.

The technique is based around the

scientifically unproved theory that many people suffer from psychological problems because they were molested during childhood and have blocked the traumatic incidents from their memory. Through recovered-memory therapy, the victims can "retrieve" these repressed recollections and use them to confront the perpetrators and heal themselves.

As a result of recovered-memory therapy, thousands of parents in their 50s and 60s are being accused of incest, families are being sued, and fathers are being thrown in prison based on nothing more substantial than uncorroborated recollections of events that allegedly occurred 20 and 30 years earlier.

"We have in this country today an epidemic of accusations identical to the witch trials of the past," declares Dr. Paul McHugh, director of the psychiatric department at Johns Hopkins University School of Medicine in Baltimore.

Some medical experts fear that the accusers' memories are being created, not recovered. Overeager therapists have bought into the theory of repressed memory too uncritically, according to Dr. Elizabeth Loftus, a psychologist and expert on memory at the University of Washington. In their zeal to uncover child abuse as the answer to every adult dysfunction, the shrinks risk planting bogus recollections in the heads of their vulnerable, troubled patients. The resulting "false-memory syndrome" claims two sets of victims: the patient, and the patient's family.

In 1989, Melody Gavigan, a 39-year-old computer specialist from Long Beach, California, checked herself into a local psychiatric hospital to get treatment for depression after a painful divorce. Her therapist, rather than discussing what current problems had brought Gavigan to the hospital, wanted to talk only about her childhood, and repeatedly asked if she had been sexually abused.

Gavigan could recall no abuse, but the therapist continued to prod her. After a week of constant questioning, Gavigan became confused and was placed in an isolation unit for three days. Right after release from isolation, she broke.

"The therapist came by my room and said, 'I still think you were either abused or beaten as a child,'" recalls Gavigan. "I started to cry and said, 'I think I was raped by my father.' I thought I'd never get out of there if I didn't say it."

Her thinking resulted in such tenets as, "If you are unable to remember any specific instances...but still have a feeling that something abusive happened to you, it probably did."

As the therapist pressed for details, Gavigan found herself writing down page after page of what she believed to be repressed memories. She recalled running into the backyard after being raped in the bathroom. She remembered being molested by her father at the age of one while having her diaper changed, and being sodomized by him when she was five years old. At the end of six weeks, says Gavigan, she really believed that she had been "incested." At her counselor's prompting, Gavigan confronted her father with the accusations, and severed their relationship.

It was "pure hell," remembers Gavigan's father, Walter, who asked that his last name not be given. "It's really hard to deal with because, even though you know you didn't do it, you start searching yourself—back 40 years—and ask, 'Was this possible?'"

Released from the hospital, Gavigan continued to see various mental-health practitioners—including two psychiatrists who questioned the veracity of her abuse—and formed an incest-survivor's group. But deep down, she was uneasy. After reading a book about memory function and taking a college psychology course, she examined her memories more closely and determined that they

were false. Her support group told her that she was "in denial"—a common tactic of recovered-memory therapists—and when she quit, left threatening notes on her door.

Gavigan is suing the hospital therapist who she says coerced her into "remembering" her childhood sexual abuse.

"I was so distressed and needed help so desperately, I latched on to what he was offering me," she says. "I accepted his answers."

Gavigan talks frequently with her father, who has forgiven her. But, he says, "Trust takes a little longer."

The steadily increasing number of people who claim to have been falsely accused of abuse by their adult children led to the creation of the Philadelphia-based False Memory Syndrome Foundation (FMSF). In less than three years of existence, the organization has been contacted by 16,000 families seeking support and understanding.

"We don't deny that child abuse occurs," says Dr. Pamela Freyd, executive director of the FMSF and an accused parent herself. However, the Foundation is skeptical of therapists who claim that 70% to 80% of their clients have been molested as children.

"There is massive peer group pressure in the field to diagnose abuse everywhere," asserts Dr. Michael Yapko, a clinical psychologist and hypnosis expert in San Diego.

The fervor to uncover abuse and incest may be traced in part to radical feminists Ellen Bass and Laura Davis, a creative-writing instructor and her student who, in 1988, co-authored the pop-psychology book *The Courage to Heal: A Guide for Women Survivors of Child Sexual Abuse*. It has sold over 750,000 copies and has become the bible of the recovered-memory movement—although neither Bass nor Davis has had any formal training in psychology.

Bass developed the idea for the book after noting that many of the women attending feminist encounter sessions complained that their therapists were dismissing their claims of childhood sexual abuse—and that during such discussions other women in the group would inexplicably produce incest memories of their own. Bass concluded that repressed abuse was even more pervasive than remembered abuse.

Her thinking resulted in such tenets as, "If you are unable to remember any specific instances...but still have a feeling that something abusive happened to you, it probably did"; "If you think you were abused, and your life shows the symptoms, then you were"; and "If you don't remember your abuse, you are not alone. Many women don't have memories...this doesn't mean they weren't abused."

Based on such beliefs, recovered-memory advocates maintain that as many as half of all American women were sexually abused as children, and that up to two-thirds of incest survivors repress memories of abuse.

According to Elizabeth Loftus, irresponsible therapists routinely tell patients who cannot remember abuse that they should imagine it as an aid to memory. "Picture [your father] approaching the bed," one psychiatrist told her patient, Loftus reports. "Think about what happened in the bathtub. If you can't remember any details, just try to imagine what it must have been like." These fantasies become reality to the emotionally distressed, highly suggestible patient.

Many therapists also subject patients to drugs such as sodium amytal—so-called truth serum—and to hypnosis, which induces patients to internalize suggestions and to call any image they see a memory.

"Oh, my gosh! That's repulsive! I'd have to be unconscious before anyone tried to do that to me!"

# Memories

(continued from page 114)

Victoria testified that her father had placed a knife in her vagina and had had oral sex with her while it was still inside. De Vlaming recognized this as one of the case studies included in the Bass-Davis book.

"As an expert, I can use hypnosis to recover memories and to create them," explains Michael Yapko. "And as an expert, I cannot tell the difference."

Paul McHugh, along with a growing number of his peers within the psychiatric community, questions the very notion that the trauma of incest would be blocked from memory. "If you were sexually active at age 17, you don't just forget that," McHugh contends. "In fact, severe traumas are not blocked out by children but are remembered all too well. They can't get the memory out of their mind. That's the problem—the over-remembering."

Richard Ofshe concurs, noting that experiments have shown only one way of extreme trauma impairing memory: by preventing it from forming. That which has never been stored cannot be retrieved.

On the other hand, according to Elizabeth Loftus, it is quite easy for anyone—particularly a therapist—to induce false memories. "Memory," she explains, "is very susceptible to suggestion, contamination and distortion."

In June 1994, the American Medical Association took the position that it "considers recovered memories of child-

hood sexual abuse to be of uncertain authenticity [and that they] should be subject to external verification." Yet, authorities rarely look for corroborating evidence.

According to the FMSF, more than 700 civil and criminal cases have been filed in the courts based solely on retrieved memories of childhood abuse. Civil awards have reached as high as \$5.5 million, while many of the criminally accused have been convicted and sentenced to lengthy prison terms. Nearly half the states have altered their statute-of-limitation laws so that alleged victims can sue the accused perpetrators three to six years after the memory has emerged; the alleged crime could have been committed 40 years earlier.

In 1993, John Bence, a Largo, Florida, schoolteacher, was arrested on charges that he had repeatedly raped and molested his 22-year-old daughter, Victoria, during childhood. Based solely on Victoria's uncorroborated accusations, 16 counts of capital sexual battery were leveled against the educator, who faced possible life in prison. Bence lost his job, spent his life savings on his defense and was denied all contact with his family.

Bence's ordeal began when his daugh-

ter, who'd read *The Courage to Heal*, recovered several allegedly lost memories of abuse while reminiscing with a childhood friend during the 1992 Christmas holidays. Suddenly, Victoria recalled her father leaping out at her from a closet when she was very young, then raping and sodomizing her. Dozens of similar memories flooded forth, leading Victoria to the chilling revelation that from ages seven to 17 she'd been continually molested by her father—and that she'd forgotten all about it.

Investigators accepted Victoria's story at face value, believing it to be a classic case of repressed memory. Based on Victoria's pretrial deposition, however, defense attorney Denis de Vlaming concluded that the allegations were totally contrived.

Victoria testified, for example, that her father had placed a knife in her vagina and had had oral sex with her while it was still inside. De Vlaming recognized this as one of the case studies included in the Bass-Davis book, which also contained an account of a girl who'd been sodomized by a man hiding in her closet. These similarities, coupled with Victoria's psychological history—she had been in therapy since the age of 15—persuaded the state to drop all charges.

Bence's punishment continues, however. He hasn't yet been reinstated by the school board, and he's still separated from his three younger children, who were moved to Hawaii by his ex-wife, Vicki Draeger, last year.

Many recovered-memory practitioners aren't even qualified to be psychologists, much less psychiatrists; they're therapists, and almost anyone can become a therapist. In Washington State, for example, if a person passes a four-hour "AIDS Awareness Test" and pays a \$78 license fee, he can hang up his shingle.

But not all recovered-memory therapists are quacks and charlatans.

"It's much broader than that, [involving] the cream of the crop of psychiatrists and clinical psychologists," reports Cornell University psychologist Stephan Ceci, a member of a work group appointed to study the phenomenon for the American Psychological Association.

One egregious breach of faith between doctor and patient occurred during the treatment by Boston psychiatrist Margaret Bean-Bayog of Harvard Medical School student Paul Lozano, who committed suicide in 1991.

"He loves me...he loves my big breasts. He loves me...he loves my big breasts."

(continued on page 124)

"Joe Bob, if we was to get deevorced, would I still be your sister?"

Fuck my blooming boobies. My nipples are so sensitive. Pinch my chest-buds and feel my pussy gush. Suck me and make me come. I'm just a young girl. I need your guiding hand—and your pounding cock!

## Memories

(continued from page 120)

In sworn testimony given during a closed-door, state medical board disciplinary hearing in September 1992, Bean-Bayog described Lozano, 28, as hopelessly disturbed and suicidal as a result of sexual abuse by his mother throughout childhood. The psychiatrist admitted, however, that she, not Lozano, initially suggested the possibility of early molestation.

Bean-Bayog testified that a year after she began treating Lozano, she gave him an article about sexually abused children, and he'd said, "[It] would explain a lot of things if [that's what] happened." Almost immediately, Lozano's head filled with previously repressed memories of abuse.

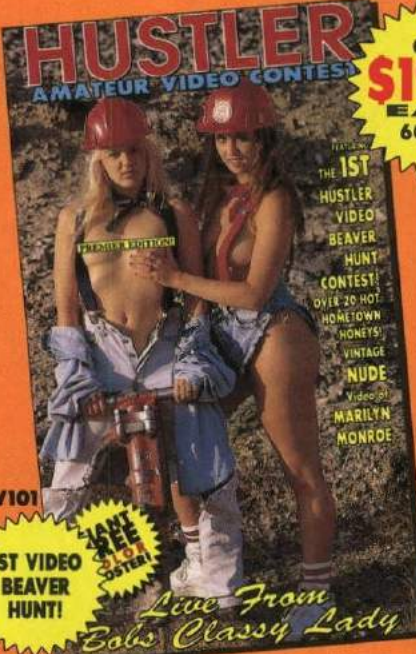

According to Bean-Bayog, Lozano suddenly recalled that his mother had forced him and his older brother to engage in acts of foreplay with her during breast-feeding. "He was required to stimulate her, sexually, before he was allowed to have any milk," she claimed, adding that her patient had allegedly "breast-fed into grade school."

The psychiatrist further stated that Lozano had remembered his mother fondling his genitals while he was still in diapers. "He [also] described that he could stop her from any activity by going up to her—when he was two his head was right at the level of her pubic area—and massaging her pubic area with his hands," Bean-Bayog recalled. "I asked him if she had pushed him away, and he said, 'No. She pushed me toward it.'"

Bean-Bayog never sought to substantiate the alleged abuse during meetings with family members, explaining that she felt it was unnecessary because Lozano had said such "sexual games" were "open in the family." However, Lozano's sister, Pilar Williams, flatly denied the allegations in a sworn deposition, noting that her brother hadn't even been breast-fed.

Williams further suggested that Bean-Bayog might, herself, be guilty of abuse. She testified that in late 1990, her brother had admitted that he and the psychiatrist had had sex several times and "that he had become sexually unable to perform because she kept reinforcing the notion that she was his mother."

Smith unleashed the mighty, swinging kick that had taken out his previous opponents. Nimble brushing Smith's leg to one side, Gracie dropped the big man to the canvas. Smith was history.

Yarbrough's skull and couldn't take any further part in the contest.

A variety of martial arts, including kung fu, karate, kickboxing, jiu-jitsu, ninjitsu, taekwondo, shootfighting and judo, peppered the first two UFC competitions. But, as these contests quickly demonstrated, grapplers were the men to beat. Royce Gracie—the lightest man in the UFC, so far—is the master of that category.

As demonstrated by Gracie's in-ring strategy, once a fighter is down on the canvas, his punching skills are useless.

"If you want to beat a shark, you don't fight him in the water," Gracie explains. "You pull him on the beach and kill him there."

When Gracie has dropped an opponent to the mat, he pushes his body, especially his face, right next to theirs. Unable to pull away to gain enough distance to put any force behind a blow, it is virtually impossible for an opponent thus positioned to hit or kick back.

Having witnessed Gracie utilize this tactic to whip much larger, martial-arts equipped opponents, sluggers queued up to learn the specialized fighting discipline known as Gracie jiu-jitsu, developed more than 65 years ago by Gracie's father, Helio.

Silver-haired and whippet-thin, 82-

year-old Helio considers Gracie jiu-jitsu an unbeatable form of combat. The elder statesman of the Gracie family created his unique fighting style as a youngster. His older brother refused to allow the frail-looking Helio to participate in the jiu-jitsu training sessions he taught. One day, when his brother was late for classes, 11-year-old Helio asked the students if they would mind if he gave the lesson.

"After a couple of sessions, I could see that my technique worked wonders for lighter-weight people," recalls Helio. "Before I started my style, the sport benefited mainly stronger individuals."

At the core of Helio's fighting philosophy is the belief that most fights eventually end up on the ground, where leverage and technique are the keys to survival, not punching, quickness or strength.

Time and again in UFC I and II, Royce Gracie wrestled martial-arts experts to the canvas, where he choked them out of the competition. Among his victims: 262-pound Dutchman Remco Pardoel, the World, Belgian, Danish and German Open jiu-jitsu champion.

One person figured to push Gracie to the limit: 220-pound kickboxing champion Pat Smith. Demolishing his UFC opposition in furious flurries of kicks and punches, Smith had left some of the

fiercest maulers in the world lying bloodied on the mat.

Immediately after entering the ring against Gracie, Smith unleashed the mighty, swinging kick that had taken out his previous opponents. Nimble brushing Smith's leg to one side, Gracie dropped the big man to the canvas. Smith was history.

All told, Gracie took a total of 11 minutes in two separate UFC tournaments to defeat seven different opponents who were fighting in as many separate styles: savate, Western boxing, kickboxing, shootfighting, karate, ninjitsu and kung fu.

States that have boxing commissions do not allow no-holds-barred, bare-knuckled slugfests. North Carolina is one of a handful where the UFC can hold legal matches. Despite the brutal nature of the event—or because of it—there is no shortage of martial artists willing to pit their skills against the finest hand-to-hand combatants in the full-contact world.

UFC contender Ken Shamrock utilizes a ring style known as shootfighting, which features the striking techniques found in the traditional stand-up arts, but incorporates the grappling and submissions used in judo, jiu-jitsu and wrestling as well. Rated the "Number-One Submissions Fighter" by his Japanese fighting association, the 210-pound Shamrock is a national celebrity in that country, where he stars in his own comic book and has inspired a video game based on his exploits. He succumbed to Gracie in UFC I.

"I was physically prepared, but my mind wasn't ready for Royce's skills," Shamrock admits.

Thirty-year-old Roland Payne can shatter baseball bats (and bones) with his shins. An exponent of Muay Thai kickboxing and combat karate, Payne trains for fights by banging his shins against a solid steel basketball goal at his local YMCA.

"I'll do maybe 200 repetitions in a workout," he boasts. "I've conditioned my shins against pain for years."

With that sort of approach, it's not surprising that few fighters clamor to be trained by Payne's techniques, although he came into UFC III with a 27-0 (24 by KO) record.

While his favorite maneuver is his shin kick—"I've broken guys' legs with that kick"—Payne believes that his main strength is not being afraid of getting hit hard.

"I only start cooking after I've taken a

Howard's training regimen includes smoking a pack of cigarettes a day and getting drunk every night, leading to a suggestion by his manager that he should get a cigarette company to sponsor his fights.

punch," he declares. "It makes me more determined."

It's just as well that Payne enjoys getting into the fray with someone who can inflict some damage, as his first-round UFC opponent, Harold Howard, did so, hard and often.

At 6-2 and 230 pounds, the extroverted Howard is something of an enigma among martial arts purists. Howard's training regimen includes smoking a pack of cigarettes a day and getting drunk every night, leading to a suggestion by his manager that he should get a cigarette company to sponsor his fights.

"It will only concern me if I lose," the two-time world heavyweight jiu-jitsu champion Howard guffaws.

Off the mat, Howard works as a bouncer.

"At age 19, I was bouncing in some of the roughest rock bars in Canada," he remembers. "Many patrons didn't like the idea of a youngster running security. One time, a 28-year-old biker decided he was going to take me on. I wrestled him out of the club, right toward the cops, who were waiting outside. He broke free and came back at me. I dropped him with a reverse punch, spin-kick and side-kick."

Preparing for his UFC contests is a

luxury for Howard. "On the street, I've never had any time to prepare for a fight," he relates, lighting up a smoke. "I haven't lost on the street since I was a kid. You might say I'm pretty wise in that regard. My street smarts give me an edge in this event."

Pitting Payne against Howard—street fighter against street fighter—the first-round UFC bout promised to be keenly contested. Well into the match, a clout to the temple dropped Payne, after which Howard landed pulp-making punches upon the face of his defenseless opponent. Howard snared the prize: facing Royce Gracie in the next event.

Gracie's earlier opponent, a 26-year-old, taekwondo third-Dan black belt named Kimo, strode onto the octagonal canvas focused and, he believed, with the power of the Lord behind him.

A devout Christian who has the name of Jesus tattooed across his abdomen and a depiction of the crucifixion across his back, Kimo answered the calling about three years ago to become a lay minister.

"The Holy Spirit of Our Lord dwells within me," the ferocious battler professes. "Same as it was for Samson and David, my strength in combat comes from the Lord."

The 6-2, 250-pound Hawaiian needed

all the help he could get in his battle against the unbeaten Gracie. From the moment the ref gave the signal, Kimo refused to allow the Brazilian to take him down. Like two mighty buffalos, the combatants locked horns, eventually smashing through the fence around the ring.

Kimo's evasive maneuvers failed to deliver him from Gracie's punishing assault. Not once did Gracie release his grip around his opponent, even when careening through the gate. Finally wrestled to the mat, the Hawaiian rallied anew, breaking out of every one of the myriad grips imposed by the master grappler. At one stage in the floor contest, the only way for Gracie to keep hold of his slippery opponent was by grabbing onto Kimo's ponytail. Ringsiders speculated about what might have happened if Kimo had not provided that convenient grip.

Eventually, Gracie locked Kimo in a series of iron-knuckled holds before leaving him bloodied on the canvas. However, two winners left the ring, not one. Against all odds, Kimo had shown that perhaps the mighty Gracie wasn't so invincible after all.

Customarily, coming out of a contest, Gracie's eyes are crystal clear and confident. He stands upright. Gracie's one round with Kimo had taken fully half as long as all seven of his previous fights put together. He left the octagon with eyes glazed, head bowed.

"Kimo was just so sweaty that Gracie couldn't get a firm grip," explained TV commentator and fifth-Dan martial artist Ben Perry. "If Kimo hadn't worn wrist bands, Royce would have been in serious trouble. There was simply nowhere else for him to get a grip."

Thus was the stage set for the Gracie/Howard confrontation. Howard entered the octagon first, a gleam for blood in his eyes. Gracie took his place across the canvas. Turning away from his opponent, he faced his family, gathered ringside. After a brief conversation, a white towel came fluttering into the ring.

Gracie was out. He couldn't go on.

"I turned to look at my family, and all I could see was a blur," explained Gracie afterward. "Staring across the ring, I couldn't see who I was supposed to be fighting."

"Royce saw the look in my boy's face and realized he couldn't go on," crowed Charles Anzalone, Howard's manager.

According to the Gracie contingent,

## Fighters

(continued from page 140)

after his fight with Kimo, Royce's blood pressure had dropped so dramatically that he had fainted several times in the locker room.

Kimo had indeed worked a miracle. No one had ever damaged Gracie before.

Substitutes at the UFC stand by to take the place of a bout winner who has been too badly beaten to fight the next round.

Like Gracie, Ken Shamrock was given a hell of a shock in his first match. Pitted against second-Dan judo black belt Christophe Leininger, Shamrock found himself pushed to the limit of his strength and ingenuity in a bout that lasted more than five minutes. Finally, Shamrock was able to choke his opponent into submission.

In the semi-finals, Shamrock came up against a prison officer named Mitchell. Only after a few sharp knees to the groin was Shamrock able to exert his mastery.

The two fights took their toll. Having severely injured his knee, Shamrock was forced to drop out of the finals.

Shamrock's withdrawal gave rise to the unlikely situation of an alternate fighter going straight past the preliminaries to the finals. Third-Dan ninjitsu black belt Steve Jennum, 5-10, weighed in at 215 pounds for his first and only bout of

the night, against the rough and ready Howard, a match that promised fireworks and blood.

Unlike contests between grapplers, a bout involving two punching fighters does not last long. After one good kick or other strong blow to an opponent's head, he is robbed of the ability to defend himself properly.

Jennum, a 30-year-old, Omaha, Nebraska, policeman, took the fight to Howard in a whirlwind of punches and kicks. After absorbing a rain of blows that would have dropped just about anyone on the planet, Howard hit the canvas, dazed.

Jennum proceeded to put his man away with a flurry of slugs to the head. When the ref pulled him off the motionless and bloody Howard, the Omaha cop was \$60,000 richer.

Jennum came out of the encounter needing a few stitches above his left eye. He had spilled blood—a status symbol for UFC fight fans.

"A bunch of kids came up to me asking if they could dip their T-shirts in my blood as a souvenir," marveled Jennum, celebrating in the locker room afterward. "I thought they were joking, but they were for real. They wanted the blood of a winner. I told them to go for it." 🐸

## Memories

(continued from page 124)

Bean-Bayog, who continues to deny any wrongdoing, surrendered her license rather than face a public hearing on state malpractice charges.

\* \* \*

Gradually, as more and more false accusations come to light, the recovered-memory movement is losing its momentum. As of late 1994, 300 people have recanted their retrieved memories, and many, like Melody Gavigan, are demanding restitution. The unjustly accused are also fighting back.

In May 1994, former Napa Valley, California, winery executive Gary Ramona won a \$500,000 settlement from two therapists who had falsely convinced his daughter, Holly, that he had raped and abused her a dozen times between the ages of five and eight. It was the first time a third party was permitted to sue in a recovered-memory case.

When Holly, 23, sought treatment for bulimia in 1989, Marche Isabella, a family counselor, told her that 80% of bulimia cases arise from repressed memories of childhood abuse—an unfounded figure. After several months of therapy, Holly began having rape flashbacks. Psychiatrist Richard Rose then gave Holly sodium amytal, and lurid details of the alleged molestation took shape in her mind. Because of his daughter's accusations against him, Ramona was divorced by Holly's mother and fired from his job.

Among the witnesses testifying in defense of the two therapists during Ramona's civil suit was Lenore Terr, a San Francisco child psychiatrist and defender of repressed-memory therapy. Terr told the jury that Holly's memories were corroborated by her dislike of teeth that resembled her father's and by her aversion to pickles and bananas because they reminded her of oral sex. Terr admitted under questioning, however, that Holly's memory of being forced by her father to perform oral sex on the family dog was "dubious."

\* \* \*

While the recovered-memory movement appears to be waning, the damage done will in some cases be difficult to repair.

Ultimately, the recovered-memory therapists have harmed themselves—and taken legitimate psychotherapists along with them.

"Recovered-memory therapy will come to be recognized as the quackery of the 20th century," predicts Richard Ofshe. "It is the most embarrassing mistake modern psychiatry and psychotherapy have ever made." 🐸

The most advanced, easy-to-use system for **PENIS ENLARGEMENT and ERECTION CONTROL** ever developed is now available . . .

## The SUPRA-12 Dual System®

with the patented SENTRY™ Prolong Ring

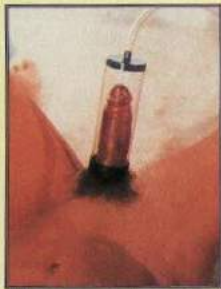

Now you can **GET IT UP** with a speed you never thought possible; you can **KEEP IT UP** at a phenomenally large size you never thought possible; and you can **STAY HARD** for an incredible length of time you never thought possible . . .

**YES! MEN REPORT MEASUREMENTS OF 9, 10, EVEN 12 FULL INCHES ARE POSSIBLE . . .**  
Watch your penis **GROW LONG, GROW FAT** and **GROW** to new startling dimensions!

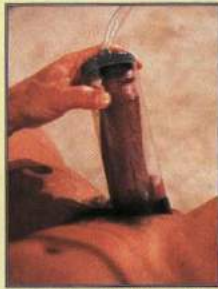

*It's easy; when you follow these simple instructions.*

1. ANY MAN, with ANY SIZE in its soft state, inserts his organ into the sleeve of the miraculous SUPRA-12 with the new SENTRY Prolong Ring for erection mastery.

2. Begin the vacuum development phase; see your flaccid, puny organ start to GET LONG, GET FAT, BULGE & GROW - to new startling dimensions of LENGTH & THICKNESS . . .

3. IS IT AS BIG AS YOU WANT? Good! Now simply slip the SENTRY Prolong Ring to the base of your penis. You can keep that long, thick hard erection for as long as you wish!

### HOW CAN THE SUPRA-12 DUAL SYSTEM INCREASE PENIS LENGTH & THICKNESS?

The phenomenon of male erectile response occurs when external stimulation, applied to the glans and penile shaft (see fig. 1) produces increased blood flow into the special muscles which reside in the penis. The increase produces turgidity and engorgement with a corresponding increase in thickness and size until the muscles are at full capacity. By increasing capacity, the muscles can hold more blood, producing a **SIGNIFICANTLY LONGER, FATTER, and BULGING ERECTION**. This is the principle behind the SUPRA-12, and it is simplicity itself! By using the system and all the components supplied, and flowing the simple directions, any man **CAN ENJOY ASTOUNDING RESULTS** in augmenting his natural penis size to the **VERY MAXIMUM DIMENSIONS** of which he is capable!

**THE SENTRY PROLONG RING - THE MARVELOUS "BONUS" OF THE SUPRA-12 SYSTEM THAT ALLOWS YOU TO "HAVE YOUR CAKE AND EAT IT TOO!"**

### NEW, IMPROVED ELECTRIC MODEL

Plug-in electric pump provides constant vacuum you control! Complete vacuum occurs gradually for safety and provides relentless vacuum without any physical effort. Ultimate in vacuum pump luxury!

"The quality remains long after the price is forgotten."  
Sir Henry Royce (Rolls Royce)

No penis-building system is any good unless it allows you to enjoy **LASTING INCREASES IN SIZE**, right? This is where the beauty of the sensational new SENTRY Prolong Ring comes in - it allows you to maintain your **NEW BULGING SIZE**, and enjoy your hard, virile erection, for a period of time that will astound you - erection control for as long as you want! Not only that, but the SENTRY is simplicity itself; sits quietly at the base of the penis, and **never interferes with penetration**, the SENTRY is your secret ally in pleasure, allowing you to **have intercourse, penetrating to new depths**, with an amazing new level of rigidity never attainable before. And then its removed in a flash. All this control literally **at your command, at your fingertips!**

**THE BEST OF BOTH WORLDS: ULTRA-MODERN TECHNOLOGY AND GOOD OLD-FASHIONED VALUE - SUPRA-12 GIVES YOU BOTH!**

It's a fact: Other, inferior systems have half the features as Supra-12, but sell at twice the price, at the very least! Made in the U.S.A. these state-of-the-art vacuum pumps are equal or better than those prescribed by doctors that sell for up to \$430. **ACCEPT NO SUBSTITUTES!**

## ERECTION PROBLEMS?

Our formula borrows upon centuries old herbal remedies. American Indians discovered so called "miracle drugs" in nature...like ASPIRIN in birch bark, QUININE in chinchona, DIGITALIS in foxglove. Their big discovery was DAMIANA, which they used as a stimulant for long, powerful erections. Since the 8th century the Chinese have used GINSENG to increase their sexual power, while in Central America natives have used SANSAPARILLA for the same purpose. Our formula combines all of these legendary products into a single capsule for daily use. We call it **SUPER MALE TONIC**. An agency of the U.S. Govt., without clinical tests, has restricted us from labeling **SUPER MALE TONIC** as an aphrodisiac. We make no such claim. But we have had THOUSANDS OF REPEAT CUSTOMERS since we started selling it in 1974.

If you have erection worries and are looking for relief we can promise you this: You won't be sorry you tried Super Male Tonic.

See photos and videos demonstrating an actual increase of **5 inches!** The only complete penis enlargement system including step by-step instructions used successfully for 20 years with more than **5 Million** men!

# PENIS ENLARGEMENT

**MAKE YOUR PENIS HARDER, THICKER, WITH ERECT MEASUREMENTS UP TO 12 INCHES OR YOUR MAXIMUM POTENTIAL!**

The following photos dramatically demonstrate an actual case history before and after using our powerful **Penis Pump**. The man demonstrating these increases is Chris Parker. His height is 5'9" and his weight is 135 lbs. The pump can be used by any man of any age, any height or weight for a longer, thicker, harder penis.

Before using the Penis Pump, Chris' penis is thin and small, about 3 inches

In this photo, Chris inserts his small penis into the pump.

Above, Chris has grown 2 to 3 inches but has not reached his maximum potential

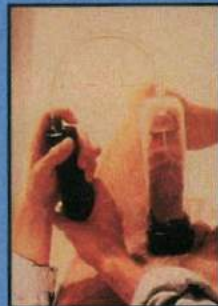

Chris shows you his penis without the pump. There is a remarkable increase, but he can still grow and reach his maximum.

Look at Chris now! See how much longer, thicker and harder his penis is!

In this photo, Chris almost fills the entire pump. He is much thicker and 10 inches long!

A close-up look at Chris' thicker, longer, harder penis.

Even without an erection after using the pump, Chris' penis is much thicker and longer.

Our Penis Developer will increase penis length, thickness and make your erection harder and stiffer. Complete step-by-step instructions on our video and magazine. Do not accept any substitute. This is the original How-To-Penis Enlargement System developed over 20 years ago.

## **TICKLED PINK**

An air of celebration wafts through the pages of HUSTLER in July as America's Magazine turns 21 and invites readers to a special anniversary feast of fleshy party favors. Let the blowout begin: Witness again one of the most ground-breaking pictorials in HUSTLER history as Butch, a black stud, splits his Georgia Peach in an interracial love fest that first shocked a nation in our December '75 issue; our 1994 *Beaver Hunt* Grand Prize winner, Katerina, shares her victory booty with the rest of the world; travel abroad as we present Czechoslovakian beauty Paulina, a hard-bodied handful with bedroom eyes and breasts of steel; thaw out with a platinum princess who shows how blondes have more fun when alone in a room with a HUSTLER photographer; take five with two tiny-titted French servants who share cherry tarts in a backroom lesbian frolic. HUSTLER in July toasts the Honeys who've made us what we are today. Give them a hand.

## **HUSTLER HINDSIGHT**

Relive the triumphs in HUSTLER's controversial 21-year career as Executive Editor Allan MacDonell looks back in pleasure at the evolution of Larry Flynt's glossy brainchild. Witness the pictures and parodies that nearly cost Mr. Flynt his life as we whack poetic about the pink, pregnant and penis-blasting pictorials of our past. Come prepared for a history lesson worth learning in *Memories and Mammaries: 21 Years of HUSTLER Magazine*.

## **COVERT AND PRESENT DANGER**

When 23 members of the Sovereign Order of the Solar Temple were found charred to death inside a Swiss farmhouse in 1994, it seemed just another case of a wacko cult committing mass suicide. Deeper investigation, however, suggests that the fringe group was sacrificed by the CIA to cover up its involvement with the cult in arms smuggling, money laundering and child prostitution. HUSTLER has uncovered astonishing indications of mind-control operations organized and overseen by the CIA, including the mass suicides of Jonestown and a kiddie-porn ring in Florida. *Cult of Espionage: The CIA's Plot to Control the Fanatics* by Alex Constantine asserts that Big Brother is alive and deadly, and wearing a CIA badge.

## **MAKE THEM EAT CAKE**

*Bits & Pieces* in July gives the gifts of choad and laughter as we serve up the most outrageous photo-gags of the past 21 years; *Hot Letters* says, "Surprise!" with some unexpected carnal pleasures; *Sex Play* traces HUSTLER's 21-year influence on the American libido; and *Beaver Hunt* continues a worldwide search for this year's Grand Prize winner. HUSTLER's 21st Anniversary Issue is packed with presents for readers young and old. Get ready to open it up.
